Dated: July 6, 2012

Present: THE HONORABLE  
Prentis Edwards, Circuit Court Judge

This matter having come before the court on an emergency Order to Show why an immediate order of mandamus should not be issued requiring the said Mayor to take the action requested in the complaint, namely to take action to accept and implement the \$8.1 Million SAFER Grant awarded to the City of Taylor, to allow the rehiring of fire fighters to improve the fire safety of the City of Taylor;

And the court having conducted a hearing in the matter and being advised in the premises, and finding that the Taylor City Council ordered the Mayor of the City of Taylor to accept a certain \$8.1 million grant to hire firefighters for the City of Taylor, and that the said Mayor has not taken action to accept the grant, and the Court finding that the law and facts require the said Mayor to accept said grant,

NOW THEREFORE IT IS HEREBY ORDERED that JEFFREY P LAMARAND, in his capacity as Mayor of the City of Taylor, immediately and forthwith take all necessary actions to accept the said SAFER grant for and in the name of the City of Taylor.

For and in the absence of  
Hon. Kathleen McDonald
