	22	1. At all times relevant herein, Plaintiff,	the City of Los Angeles (hereinafter "the City"									
Ø	23	or "Plaintiff"), has been a municipal corporation and	a charter city, incorporated pursuant to the laws									
N) N	24	of the State of California, and located in the County	of Los Angeles.

Plaintiff is informed and believes, and thereon alleges, that Defendant Palmer Temple
 Street Properties, LLC is a California business entity with its principal place of business in Los
 Angeles County, California.

Plaintiff is informed and believes, and thereon alleges, that Defendant Palmer Temple
 Street Properties is a California business entity with its principal place of business in Los Angeles
 County, California.

5. Plaintiff is informed and believes, and thereon alleges, that at all times relevant
herein, Defendants, and each of them, were owners, occupiers, lessors, developers, managers,
contractors, and/or subcontractors working on the property located approximately at 900 W. Temple
Street in Los Angeles, California, otherwise known as "the DaVinci Apartments."

At all times relevant herein, the City owned, occupied, and leased the high rise office
 building located at 221 N. Figueroa in Los Angeles, California, as well as other adjacent properties.
 221 N. Figueroa was and is across the street from the Da Vinci Apartments.

14 7. The true names of those of the Defendants sued as Does 1 through 50, inclusive, are 15 unknown to the City, so the City sues these Defendants using fictitious names. The City will amend 16 this Complaint to allege the true names and capacities of these Doe Defendants when their identities 17 are ascertained. As set forth herein, the City is informed and believes and thereon alleges that each 18 of the Defendants designated herein as a Doe is responsible in some manner for the damages claimed 19 in this action.

8. All references in this complaint to "Defendants" includes all Doe Defendants, and any and all such references shall include each Defendant individually as well as all of the Defendants jointly, unless otherwise noted.

Plaintiff is informed and believes, and thereon alleges, that at all times mentioned herein, each Defendant was the principal, agent, master, servant, subsidiary, partner, member, associate, representative, co-conspirator, employer and/or employee of the other Defendants, and in committing the acts and omissions herein mentioned was acting in the course and scope of said relationship. the other Defendants. Plaintiff is further informed and believes, and thereon alleges, that at all times relevant herein, the acts of the Defendants were done in the course and scope of the principal, agent, master, servant, subsidiary, partner, member, associate, representative, co-conspirator, employer and/or employee relationship which that Defendant had with the other Defendants.

10. Plaintiff is informed and believes, and thereon alleges, that at all times mentioned herein, Geoffrey Palmer and the other Defendants, and each of them, were and are officers and registered agents of, and the RMOs (responsible managing officers for licensure purposes) and major owners of, GH Palmer Associates, Palmer Temple Street Properties, Palmer Temple Street Properties, LLC, and Does 1-50, herein.

11. 10 Plaintiff is informed and believes, and thereon alleges, that Geoffrey Palmer and the other Defendants, and Does 1-50, were at all relevant times the alter-ego of each of the others, and 11 12 there now exists, and at all relevant times existed, such unity of interest and ownership between and 13 among them that individuality and separateness has ceased; and that GH Palmer Associates, Palmer 14 Temple Street Properties, Palmer Temple Street Properties, LLC, and Does 1-50 are and were at all 15 material times mere shells, instrumentalities and conduits through which Geoffrey Palmer carried on 16 business in the corporate name, exercising such control and dominion that individuality or separateness of the purported business entities did not and does not exist. This has led to an 17 inequitable result, in that otherwise recoverable funds from GH Palmer Associates, Palmer Temple 18 19 Street Properties, Palmer Temple Street Properties, LLC, and Does 1-50 have been diverted.

12. 20 Plaintiff is informed and believes, and thereon alleges, that GH Palmer Associates. 21 Palmer Temple Street Properties, Palmer Temple Street Properties, LLC, and Does 1-50 are and 22 were so undercapitalized that the companies could not and cannot meet their corporate obligations. C 23 Plaintiff is informed and believes that whatever assets the Defendant company entities possessed 24 have been diverted to Geoffrey Palmer or others at his direction to the detriment of creditors 25 including the Plaintiff, and that the corporate form has been otherwise disregarded so that it is united 26 with the personal interests of Geoffrey Palmer.

13. Plaintiff is informed and believes, and thereon alleges, that GH Palmer Associates, Palmer Temple Street Properties, Palmer Temple Street Properties, LLC, and Does 1-50 are so

managed and operated as to comingle their assets to suit each other's convenience, and the convenience of Geoffrey Palmer. These business entities are therefore unable to meet their obligations to the Plaintiff, and Plaintiff therefore alleges that Geoffrey Palmer is personally liable for the damages alleged herein.

14. The Superior Court located in the County of Los Angeles has jurisdiction over this matter, as the incidents which give rise to the liability alleged in this complaint occurred in the County of Los Angeles of the State of California.

8 15. On December 8, 2014, a fire broke out at the DaVinci Apartments. At the time, the 9 DaVinci Apartments was under construction: The project site was nearly as long as three football fields, with fully exposed wood framing that was several stories high. When the project caught fire, 10 11 the exposed wood frame served as a fuel source that generated a giant blaze, large plumes of smoke, 12 a rain of ash and soot, and melting heat. There was so much combustible material at the DaVinci Apartments that, once ignited, the blazing complex radiated enough heat to travel across the street 13 14 and damage the neighboring properties which were owned, occupied, and leased by the City ("the City Properties"). The damaged properties include 221 N. Figueroa. 15

16. The spread of radiant heat from the fire was the primary cause of damages to the City. 16 17 But the City Properties also suffered water damage due to fire sprinkler activation. And the City 18 incurred damages due to the firefighting activities necessary to put out the fire and prevent it from spreading to other properties. The City's total damages were approximately \$80,000,000.00. The City's insurance company reimbursed the City for \$61,900,000.00 of these damages. 20

17. Defendants did not properly maintain, construct, modify, alter, control, protect, oversee, supervise or otherwise manage the DaVinci Apartments, and by doing so did not comply with those reasonable, accepted and workmanlike construction practices necessary under the circumstances. Defendants allowed the creation of a fire hazard at the DaVinci Apartments and without concern to the life or property of others by their improper and defective construction methods, which include, but are not limited, to the following:

(A) Failing to have an appropriate fire protection plan in place;

(B) Constructing a building more susceptible than normal to becoming swiftly engulfed in

flames without an appropriate fire protection plan in place; 1 (C) Failing to have any appropriate fire prevention measures; 2 (D) Constructing a building more susceptible than normal to becoming swiftly engulfed in 3 flames without appropriate fire prevention measures; 4 5 (E) Failing to comply with industry standards for fire safety and prevention during construction, including but not limited to those standards discussed in National Fire Prevention 6 7 Association Code No. 241, also known as NFPA 241; (F) Failing to compartmentalize construction; 8 9 (G) Failing to properly install fire wrap, fire walls, or fire doors, or to install them at all; (H) Failing to have appropriate and sufficient fire suppression or fire protection equipment; 10 (I) Failing to have appropriate security measures that would curtail, prohibit or prevent 11 12 incursion into the Da Vinci Apartments by unwanted individuals, despite the foreseeability of such events on a construction site; 13 14 (J) Failing to comply with Chapter 33 of the Los Angeles City Fire Code, including but not limited to requirements for having an appropriate safety plan in the event of a fire; 15 16 (K) Failing to employ fire resistant or fire suppression details during the subject stage of 17 construction: (L) Violating the California Fire Code and the Los Angeles City Fire Code, including section 18 3312.1 of Chapter 33 of the LACFC, which requires "[a]n approved water supply for fire protection 19 ... be made available *as soon as* combustible material arrives on the site" (emphasis added); 20 21 (M) Failing to have an appropriate water supply available to suppress fire arising from the 22 combustible material on site at the Da Vinci Apartments; ී 23 (N) Allowing the construction of the Da Vinci Apartments to proceed despite the foregoing issues which would, if a fire erupted, expose adjacent people and property to harm by fire; and 24 hu-25 (O) Ignoring industry-wide recognition of the dangers of construction sites with large fuel Õ0 loads such as a wood frame construction, and proceeding with insufficient safety features in place to Ŋ, J 27 suppress or limit fire damage in the event of a fire. 18. Because of the foregoing construction, oversight and maintenance deficiencies at the - 28 Ő 5

Da Vinci Apartments, the fire quickly consumed the building, creating so much smoke, soot, ash, fire, and heat that it damaged the City Properties across the street.

19. Defendants did not provide an appropriate amount of care or concern for the potential for a fire and its effects. Had they done so, the December 8, 2014 fire at the Da Vinci Apartments either would not have begun, or would have been more contained and would not have spread so quickly and completely throughout the project, and would not have burned so massively, as to generate enough smoke, soot, ash, fire, and heat to damage the City Properties.

8 20. Plaintiff has not been compensated by insurance for several categories of its damages, 9 including the cost of responding to the fire, tenant rents, City departmental expenses for relocation, 10 restacking of 221 N. Figueroa Street, insurance deductibles, uncovered losses, and other disruptions 11 and losses. The City believes these unreimbursed damages total \$20,000,000 or more, according to 12 proof at the time of trial.

FIRST CAUSE OF ACTION

(For Negligence Against All Defendants)

21. Plaintiff realleges and incorporates by this reference paragraphs 1 through 20 of this complaint as though fully and completely set forth herein.

17 22. Defendants were under a duty, both directly, indirectly, and in a non-delegable
18 manner, to exercise that reasonable and necessary care as owners, occupiers, developers, and/or
19 contractors, in relation to the Da Vinci Apartments, as called for under the circumstances.
20 Defendants had a duty of care to avoid foreseeable injury to Plaintiff, and knew or should have
21 known that Plaintiff would suffer monetary damages if Defendants failed to perform their duties to
22 supervise, construct, modify, repair, control, maintain, protect and otherwise manage the Da Vinci
23 Apartments in a the workman-like manner dictated by industry standards.

INSTRUCTIONS ON HOW TO COMPLETE THE COVER SHEET

CM-010

To Plaintiffs and Others Filing First Papers. If you are filing a first paper (for example, a complaint) in a civil case, you must complete and file, along with your first paper, the *Civil Case Cover Sheet* contained on page 1. This information will be used to compile statistics about the types and numbers of cases filed. You must complete items 1 through 6 on the sheet. In item 1, you must check one box for the case type that best describes the case. If the case fits both a general and a more specific type of case listed in item 1, check the more specific one. If the case has multiple causes of action, check the box that best indicates the primary cause of action. To assist you in completing the sheet, examples of the cases that belong under each case type in item 1 are provided below. A cover sheet must be filed only with your initial paper. Failure to file a cover sheet with the first paper filed in a civil case may subject a party, its counsel, or both to sanctions under rules 2.30 and 3.220 of the California Rules of Court.

To Parties in Rule 3.740 Collections Cases. A "collections case" under rule 3.740 is defined as an action for recovery of money owed in a sum stated to be certain that is not more than \$25,000, exclusive of interest and attorney's fees, arising from a transaction in which property, services, or money was acquired on credit. A collections case does not include an action seeking the following: (1) tort damages, (2) punitive damages, (3) recovery of real property, (4) recovery of personal property, or (5) a prejudgment writ of attachment. The identification of a case as a rule 3.740 collections case on this form means that it will be exempt from the general time-for-service requirements and case management rules, unless a defendant files a responsive pleading. A rule 3.740 collections case will be subject to the requirements for service and obtaining a judgment in rule 3.740.

To Parties in Complex Cases. In complex cases only, parties must also use the *Civil Case Cover Sheet* to designate whether the case is complex. If a plaintiff believes the case is complex under rule 3.400 of the California Rules of Court, this must be indicated by completing the appropriate boxes in items 1 and 2. If a plaintiff designates a case as complex, the cover sheet must be served with the complaint on all parties to the action. A defendant may file and serve no later than the time of its first appearance a joinder in the plaintiff's designation, a counter-designation that the case is not complex, or, if the plaintiff has made no designation, a designation that the case is complex.
