SAMOD RANKINS, ET AL	:	JD OF NEW HAVEN
v	:	AT NEW HAVEN
CITY OF NEW HAVEN, ET AL	:	APRIL 28, 2021

COMPLAINT

1. At all times mentioned herein, the plaintiffS, Samod Rankins, Eric Crenshaw, John Corujo, Catrell Simmons, Eric King, Chris Douglas, Marquis Douglas, Ashley Helstowski, Tashana Miller, Luis Muniz, Brian Givens, Tecumseh Collins, Carlos Ortiz, Jamal Reed, Daniel Paige, Jose Santana Castillo, Corey Brown, Nikia Madden, Quincy Brown, Travon Long, Marquis Santiago, Ryan Threet, Patrick Good, Tyler Stanko, Eddie Rodriguez, Deja Walker, Sammie Shaw, Ramcee Chrmichael, Morresse Cosby, John Tucker, Tainaly Guzman, and Maxmino Augustine (hereinafter referred to as "the plaintiffs"), have appeared on the Eligibility List for the position of "Firefighter" with the New Haven Fire Department.

2. A copy of said Eligibility List, certified on 01/22/2020, with an expiration date of 01/22/2022, is attached hereto as Exhibit A.

3. The plaintiffs are ranked on said List, in alphabetical order, as has been the past practice within New Haven.

LAW OFFICES OF PATRICIA A. COFRANCESCO
89 Kimberly Avenue - East Haven, Connecticut 06512
Telephone (203) 467-6003 - Facsimile (203) 467-6004 - Juris No. 300918

4. Upon information and belief, ninety-nine (99) Candidates are listed as tied in Rank One on the said Eligibility List.

5. At all times mentioned herein, the defendant City of New Haven, has been a municipal corporation organized and existing under the laws of the State of Connecticut, acting by and through its Civil Service Board, which Certifies hiring lists to the Board of Fire Commissioners, the hiring authority. Both are made party defendants for informational purposes only.

6. At all times mentioned herein, the defendant City of New Haven, has had a municipal Charter

7. Article VII Sec. 3F of said municipal Charter establishes a Board of Fire Commissioners which has the power of appointments. Per subparagraph G, ***"Power of boards of commissions over employees... shall have sole power of appointment and promotion of all sworn members and employees of their respective departments, under such rules and regulations as they may adopt for the purpose, and in accordance with rules governing the Civil Service System."***

8. Article VII Sec. K, 4a of said municipal Charter also establishes a Civil Service Board which provides:

Rule-making power of Board; duty to provide examinations. It shall be the duty of said Board:

"To certify lists of eligible candidates for positions in all Departments, based upon the determinations of qualifications and scores of examinations certified to the board by the Personnel Director and the board's determination that its rules have been complied with."

9. Rule VII, Section 1, "Appointments" of the Civil Service Section Rules and Regulations currently in effect provides ***"the appointing authority shall appoint from ... an eligible list certified by the Board as provided in the Charter."***

10. On January 22, 2020, the defendant City, acting by and through its Civil Service Board Certified the subject Eligibility List for the position of Firefighter, with an expiration date of January 22, 2022, reflective of the rankings discussed earlier.

11. On April 20, 2021, all candidates on said Eligibility List were informed by the defendant City, per the attached Exhibit B, ***"it will be using a lottery system method to determine the order in which individuals on the eligibility list will be sent conditional offers of employment."***

12. Said letter went on to state:

"Each of the candidates in Rank One (1) on the eligibility list will be assigned a number from one (1) to ninety-nine (99) in the order in which their name currently appears on the Eligibility List. Using a process similar to what is used by the Connecticut State Lottery, 99 individually numbered balls will be placed in rotating drum. A representative of the Fire Commission will then withdraw the balls one at a time. The persons whose name corresponds with the number in the first ball drawn will be placed first on the eligibility list to receive a conditional offer of employment. Similarly, the person whose name corresponds with to the second ball drawn will be the second person from the eligibility list to receive a conditional offer of employment. We will continue the process in the same manner until all the balls have been drawn and the order for the offering of conditional offers has been established for everyone on the eligibility list that are currently tied for first."

13. The implementation of the aforementioned "lottery system" by the defendant City is in contravention of its Charter which mandates the process that must be followed when a Civil Service Rule is amended.

14. More specifically, Article XIII, Section 1A of said Charter provides as follows:

"Procedure for changing rules; rules to be public records whenever said Board shall have adopted any rules under any of the different provisions of this section said rules shall not be changed expect after Public Hearing Notice or, at least three (3) separate occasions, giving at least two (2) weeks' notice of such proposed change. All rules of said Board shall be public records."

15. Moreover, in this instance, Rule VII, "Appointments" has also been violated as it provides that appointments can only take place from certified lists "as provided in the Charter."

16. In implementing the said "lottery system," the defendant City, acting by and through its Civil Service Board violated the Charter, as well as, Civil Service Rules without complying with the aforementioned Charter Section which sets forth the process that must be followed when a Civil Service Rule is amended.

17. Moreover, in the absence of compliance with the Charter as well as the Civil Service Rules, any appointments made off said re-constituted Eligibility List, through the aforementioned lottery system, by the defendant City, acting by and through its Board of Fire Commissioners, are void.

18. The above-described actions of the defendant City of New Haven, acting by and through the defendant Civil Service Board, were violative of the of the Mandatory Directives contained in the Civil Service Rules, as well as the Charter.

19. Based upon the language employed by the defendant City of New Haven when it elected to implement the said "lottery system" (Exhibit A) without properly exercising its authority to do so under the Charter and the Civil Service Rules and Regulations, any hires made off said List by the Board of Fire Commissioners would be invalid.

20. There is an actual bona fide and substantial questions or substantial uncertainty concerning the legality of the actions of the defendant City, acting by and through its Board of Fire Commissioners, and Civil Service Board, as described above, in not amending its Civil Service Rules, in not following the Charter, in light of the clear directives set forth in the Civil Service Rules as well as the Municipal Charter.

21. While the defendant City of New Haven, acting by and through its Board of Fire Commissioners, and Civil Service Board may have the discretion to create, amend, or abolish certain of its own Rules, it can only do so within the mandated, prescribed procedures set forth in the Charter of the City of New Haven as well as its own Rules, it does not have the authority or discretion to arbitrarily ignore and Amend its own rules without complying with these mandates, nor does it have the authority to administer its Rules in an unreasonable, arbitrary, or capricious manner.

22. There is no other form of proceeding that can provide a remedy.

Dear Firefighter Candidate,

You are receiving this email because you are one of the ninety nine (99) candidates who finished tied in Rank One (1) on the current Firefighter Eligibility List for the New Haven Fire Department, which was originally certified for one year on January 22, 2020 and then extended on November 18, 2020 for an additional year. Civil Service List 20-01E will expire on January 1, 2022.

As I am sure you are aware, we are operating in a very different environment due to the Pandemic. In Connecticut we have been in a declared Medical Emergency for over twelve months and that has impacted the way we all live and do our jobs. It has also impacted the way the City and the New Haven Fire Service operate. Accordingly, while we will be beginning a recruit class in the next months, it will not be a normal size class, rather it will be much smaller. As such this will impact the way conditional offers of employment will be made. In order to ensure the process is as fair and equitable as possible will be using a lottery system method to determine the order in which individuals on the eligibility list will be sent conditional offers of employment.

The process will take place as described here:

Each of the candidates in Rank One (1) on the eligibility list will be assigned a number from one (1) to ninety-nine (99) in the order in which their name currently appears on the Eligibility List. Using a process similar to what is used by the Connecticut State Lottery, 99 individually numbered balls will be placed in rotating drum. A representative of the Fire Commission will then withdraw the balls one at a time. The person whose name corresponds with the number on the first ball drawn will be placed first on the eligibility list to receive a conditional offer of employment. Similarly, the person whose name corresponds to the second ball drawn will be the second person from the eligibility list to receive a conditional offer of employment. We will continue the process in the same manner until all the balls have been drawn and the order for the offering of conditional offers has been established for everyone on the eligibility list that are currently tied for first.

Due to COVID restrictions the drawing is closed to the public, but in order to provide full transparency, all candidates and any interested members of the public will be able to view the proceedings live on Wednesday, April 28, 2021 at 7:00 p.m. Join from a PC, Mac, iPad, iPhone or Android device:
