- i. Defendant Brasile's knowing, deliberate, and false certification that one hundred (100%) percent of Defendant City's fire hydrants were functional when, in reality, more than fifty (50%) percent of said fire hydrants were not functional.
- 24. On or about November 7, 2019, Fabian Giovannagelo directly confronted and challenged Defendant Brasile concerning the allegations described in the preceding paragraph while exercising his First and Fourteenth Amendment rights to engage in speech as a private citizen about matters of public concern and safety.
- 25. On December 2, 2019, Defendant Brasile, without legal authorization or justification, ordered the suspension of seven (7) "masked firefighters" and the shutdown of Hose Company No. 1 in violation of the Latrobe City Code, Fire Department By-laws and Hose Company No. 1 By-laws.
- 26. On December 2, 2019, Fabian Giovannagelo complained to Rosemarie L. Wolford, Mayor of the City of Latrobe (hereinafter "Wolford"), concerning Defendant Brasile's lack of leadership, lack of proper safety policies, reprehensible comments about women, including a firefighter's wife, sexual harassment of a female firefighter, delaying fire call responses, and jeopardizing the City of Latrobe's fire safety and ability to obtain grant monies in order to comply with NFPA standards.

In at a city council meeting on or about December 2019, Plaintiff Forish advised Mayor Wolford and Latrobe City Council of Defendant Brasile's history of aggressive and unlawful retaliation against members of the Latrobe Volunteer Fire Department who exercised their First Amendment rights to citizen speech about matters of public concern, and who reported in good faith Brasile's instances of civil and criminal wrongdoing, fraud, and waste in his official

capacity as Fire Chief, and warned Mayor Wolford and Latrobe City Council to "rein him (Brasile) in," but Plaintiff Forish's admonitions went unheeded, and were knowingly, consciously, deliberately, and summarily dismissed and ignored by Mayor Wolford and Latrobe City Council, who described such matters as "fire department business" and not matters with which the Mayor or Latrobe City Council should be concerned or involved.

- 28. In December 2019, an election for the position of LVFD Fire Chief was scheduled between Defendant Brasile and Hose Company No. 1 member, Nico Giovannagelo (hereinafter "N. Giovannagelo").
- 29. Immediately prior to the aforesaid December 2019 election for the position of LVFD Fire Chief, Defendant Brasile illegally suspended N. Giovannagelo, removed his name from the ballot and declared victory by acclamation.
 - 30. On January 2, 2020 a meeting of the entire LVFD was conducted.
- 31. At the January 2, 2020 meeting of the entire LVFD, Fabian Giovannagelo stated that Defendant Brasile's conduct and statements, including, *inter alia*, his falsifying his fire call response numbers, falsely claiming to be at fire calls from which he was absent, falsifying the fire department's ISO rating and approving defective fire hydrants, necessitated a full investigation and Brasile's suspension as fire chief.
- 32. At the close of the aforesaid January 2, 2020 meeting, over two-thirds of the membership in attendance voted to conduct a full investigation into Defendant Brasile's conduct and to suspend him as LVFD Fire Chief.
- 33. On January 3, 2020, former LVFD President, Tom McMaster (hereinafter "McMaster") advised Fabian Giovannagelo that Mayor Wolford had intervened on Defendant Brasile's behalf and ordered that the vote of the LVFD's membership to suspend Brasile be

overturned and that the City of Latrobe validate the December 2019 election results for LVFD fire chief.

- 34. On January 9, 2020, at a regular monthly meeting and properly assembled quorum of Hose Company No. 1, Defendant Brasile's history of retaliatory actions against members of Hose Company No. 1, including his suspending, threatening expulsion of, and/or expelling Hose Company No. 1 members from the LVFD, was discussed and it was unanimously agreed, *inter alia*, that if Brasile were in the future to engage in such unlawful retaliation against any Hose Company No. 1 member/s:
 - a. Hose Company No. 1 would pay for any legal fees incurred to represent and defend said member/s against such unlawful retaliation; and
 - b. in accordance with the past practices of Hose Company No. 1, the monetary amounts to be allocated to said legal fees/representation resulting from Defendant Brasile's unlawful retaliatory actions would be left to the authority and discretion of the Hose Company No. 1 President and Treasurer, regardless of whether said expenditures were mentioned in the monthly minutes of Hose Company No. 1.

Copies of the sworn affidavits of thirteen (13) members of Hose Company No. 1 confirming the above-stated averments collectively are attached hereto as Exhibit "P-2(a)" through "P-2(m)" inclusive and incorporated by reference as though set forth at length below.

- 36. In accordance with the LVFD's By-laws, representatives of the five (5) hose companies were instructed to inform their membership of the forthcoming election for LVFD Fire

Chief, which was scheduled for Thursday, March 5, 2020, and that a daytime and evening vote would be taken.

- 37. On March 5, 2020, the election for LVFD Fire Chief was conducted and resulted in a Hose Company No. 1 member, to wit, N. Giovannagelo, defeating Defendant Brasile, with 42 votes cast in favor of N. Giovannagelo and 17 votes cast in favor of Brasile.
- 38. Subsequent to the posting of the March 5, 2020 election results, Brasile contended that said election was invalid because all of his supporters did not vote and had they voted, he would have won the election.
- 39. On March 6, 2020, Fabian Giovannagelo was advised by former LVFD President McMaster that neither Mayor Wolford nor the City of Latrobe would accept the results of the March 5, 2020 election for Fire Chief, but was not provided by McMaster or any representative or policymaker for the City of Latrobe with legal justification for not accepting a vote which was scheduled and taken in strict compliance with applicable by-laws.
- 40. On March 6, 2020, Fabian Giovannagelo, in his capacity as President of Hose Company No. 1, called for a Special Meeting on Sunday March 8, 2020 in order to conduct a membership vote to determine whether Defendant Brasile should be expelled for just cause as a member of Hose Company No. 1.
- 41. On Sunday, March 8, 2020, a Special Meeting of Hose Company No. 1 was held and attended by approximately twenty-two (22) members, and resulted in a unanimous vote to expel Defendant Brasile as a member of Hose Company No. 1.

said letter was witnessed by Hose Company No. 1 members Christopher Blessing (hereinafter "Blessing") and Ryan Jones (hereinafter "Jones").

- 43. On March 9, 2020, N. Giovannagelo appeared at a Latrobe City Council monthly meeting and testified before City Council and the media that:
 - a. "Chief Brasile has held Hose Company No. 1 on fire calls, even some close to our station. This is not safe for our community."
 - b. Brasile lacked leadership, supervision and proper safety policies to protect the community;
 - c. Brasile was dishonest and falsified personal fire call responses in order to obtain greater personal stipend payments, which may be illegal;
 - d. Brasile falsely initiated the city-wide call responses in order to inflate the City of Latrobe's ISO rating for federal grant money, which may be illegal;
 - e. Brasile has allowed more than fifty (50%) percent of the fire hydrants to remain dysfunctional, pumping rusty water through the fire trucks at an unsafe intensity level;
 - f. Brasile had improperly interfered with and delayed the grant application process; and
 - g. N. Giovannagelo and his family reside inside the City of Latrobe and are at risk due to Brasile's conduct.
- 44. Prior to March 10, 2020, Hose Company No. 1 Assistant Chief John David Gessler (hereinafter "Gessler") engaged in speech as a private citizen on matters of public concern at several meetings of the Latrobe City Council, monthly meetings of the LVFD and at meetings of Hose Company No. 1 regarding Defendant Brasile's alleged wrongful conduct, including:
 - a. Alleging that Brasile's reckless and unjustified suspension of masked firefighters created an unnecessary fire-related risk to the citizens and structures of the City of Latrobe;
 - b. Alleging that Brasile was falsifying his own personal call responses in order to increase his stipend payments and further was falsifying fire department call response numbers in order to obtain grant money;

- c. Complaining of the increased safety risks caused by Brasile's preclusion of Hose Company No. 1 firefighters from responding to fire calls in close proximity to, and within the jurisdiction of, Hose Company No. 1;
- d. Complaining that Brasile falsely claimed to have filed an application for a Staffing for Adequate Fire and Emergency Response (SAFER) grant as a contrived, false reason to suspend Hose Company No. 1 for a period of three (3) days and to retaliate against and suspend seven (7) individual members of Hose Company No. 1, including C. Giovannagelo and N. Giovannagelo.
- 45. In early March, 2020, in direct retaliation for Assistant Chief Gessler exercising his right of citizen speech on matters of public concern as guaranteed and protected by the First and Fourteenth Amendments to the United States Constitution, Defendant Brasile expelled Assistant Chief Gessler from the LVFD. A copy of Brasile's aforesaid expulsion letter to Assistant Chief Gessler is attached hereto as Exhibit "P-3" and incorporated by reference as though set forth at length.
- 46. On March 10, 2020, City of Latrobe Manager, Michael Gray (hereinafter "Gray") advised N. Giovannagelo that as a result of the aforesaid March 8, 2020 unanimous vote of Hose Company No. 1 to expel Brasile for just cause from its membership, Latrobe City Council had formed a committee "to investigate the allegations made for the removal of Fire Chief John Brasile for cause." A copy of Gray's letter to N. Giovannagelo is attached hereto as Exhibit "P-4" and incorporated by reference as though set forth at length below.
- 47. On March 13, 2020, as a direct and proximate result of the Covid-19 pandemic, the City of Latrobe was declared to be in the "red" area and all citywide, nonessential businesses were suspended by Mayor Wolford.

- 78. Fredrick E. - 82. At all times herein mentioned, the Commonwealth of Pennsylvania, in its capacity as Respondent and represented by Westmoreland County Assistant District Attorney Leo J. Ciaramitaro, Esquire, attended and participated in the August 29, 2022 Interpleader hearing conducted before Judge Smail.
- At all times herein mentioned, the Respondent, Commonwealth of Pennsylvania, acted as the legal representative of the above-captioned Defendants in the Interpleader cause of action, whose subject matter involved Plaintiff Forish's and Fabian Giovannagelo's denial of Defendants' allegations that Plaintiff Forish and Giovannagelo had committed *crimen falsi* felony and misdemeanor criminal offenses, to wit, Theft by Deception, Theft by Unlawful Taking or Disposition Movable Property, and Misapplication of Entrusted Property and Property of Government or Financial Institution in their disposition of the aforesaid Twenty-One Thousand (\$21,000.00) Dollars of Hose Company No. 1 funds.
- 84. The contents of said Petition for Interpleader in the Westmoreland County Court of Common Pleas (Case No. 281 of 2022) are incorporated by reference herein as though set forth at length below.

<u>COUNT II –</u> <u>PLAINTIFF v. CITY OF LATROBE</u> 42 U.S.C. § 1983 - MUNICIPAL/MONELL LIABILITY

- 94. Paragraphs 1 through 86 and Count I are incorporated by reference as though set forth at length below.
- 95. At all times herein mentioned, Defendant City possessed actual and constructive knowledge of Defendants Brasile's and/or McDowell, Jr.'s history of wrongdoing, waste, and/or unlawful retaliation against Latrobe Volunteer Fire Company personnel who exercised their constitutional rights to First Amendment citizen speech on matters of public concern, including the information reported in good faith and pursuant to the Pennsylvania Whistleblower Law, 43 P.S. §§ 1421 1428, by Plaintiff Forish and/or the aforesaid Whistleblowers, to wit, Fabian

Giovannagelo, Nico Giovannagelo, Cody Giovannagelo, Christopher Blessing, and/or Ryan Jones, as heretofore described.

- 96. At all times herein mentioned, Defendant, City of Latrobe, possessed actual and constructive knowledge of the Bylaws of Latrobe Hose Company No 1 which were adopted on April 12, 1998.
- 97. At all times herein mentioned, Defendant City of Latrobe possessed actual and constructive knowledge that Latrobe Hose Company No. 1:
 - a. is a corporation licensed under the non-profit corporation laws of the Commonwealth of Pennsylvania with its address at 390 Oak Street, Latrobe, Westmoreland County, Pennsylvania 15650.
 - b. owns a property located at 300 Alexandria Street, Latrobe, Westmoreland County, Pennsylvania, including its structure and the contents within;
 - c. owns a liquor license issued by the Pennsylvania Liquor Control Board that is capable of generating income for Hose Company No. 1 independently of the control and supervision of the Latrobe Volunteer Fire Company;
 - d. is required by its By-Laws/Code of Laws, adopted April 12, 1998, to engage in fund raising activities to benefit Hose Company No. 1 including, inter alia, an annual street fair (in June), two semi-annual gun bashes (in April and October), an annual cash bash (in February), and a mandatory fundraiser requiring the attendance of all members.
 - e. is lawfully authorized by its By-Laws/Code of Laws to expend financial sums drawn from its own financial resources generated by the aforesaid liquor license and fund raising activities for the welfare and well-being of its members.
- 98. At all times herein mentioned, Defendants, City of Latrobe, Latrobe Volunteer Fire Company, Brasile, McDowell, Jr., and Gardner knew, or should have known, prior to the filing of the aforesaid *crimen falsi* felony and misdemeanor criminal charges against Plaintiff Forish and Fabian Giovannagelo that:

- a. Hose Company No. 1's legal right to retain attorney representation for its members from its private financial resources -- as set forth in its By-Laws and/or as authorized by a lawful vote of a quorum of its membership at its duly conducted January 9, 2020 monthly meeting was well-established;
- b. a quorum of the membership of Hose Company No 1 at its duly conducted January 9, 2020 monthly meeting authorized the payment of funds from Hose Company No. 1's private financial resources for the retention of legal representation for its members subjected to unlawful retaliation by Defendant Brasile for exercising their First Amendment right to citizen speech on matters of public concern, including the above-named Whistleblowers, as confirmed by Exhibits P-2(a) through P-2(m), which are incorporated by reference as though set forth at length below; and
- c. that the execution of checks drawn on the private bank account of Hose Company No. 1 by the President (to, wit, Fabian Giovannagelo) and Treasurer (to wit, Plaintiff Forish) of Hose Company No. 1 to pay for said legal representation of the above-mentioned Whistleblowers, and as authorized by the vote of a quorum of the membership of Hose Company No. 1 at its duly conducted January 9, 2020 monthly meeting, is lawful and appropriate.
- 99. At all times herein mentioned, no evidence existed that Plaintiff Forish and Fabian Giovannagelo committed any acts of theft, misappropriation of funds, or other legal improprieties, including Theft by Deception, 18 Pa.C.S. §3922(a)(1) (Felony 3); Theft by Unlawful Taking or Disposition Movable Property, 18 Pa.C.S. §3921(a) (Felony 3); and Misapplication of Entrusted Property and Property of Government or Financial Institution, 18 Pa.C.S. §4113(a) (Misdemeanor 2) arising from the payment to Fredrick E. Charles, Esquire by Hose Company No. 1 of the above-referenced sums for legal representation proximately resulting from Defendants Brasile's wrongdoing, waste, and unconstitutional retaliatory actions against Hose Company No. 1 members, including said Whistleblowers.
- 100. At all times herein mentioned, Defendants, City of Latrobe, Latrobe Volunteer Fire Company, Brasile, McDowell, Jr., and Gardner knew, or should have known, that they had a legal duty to conduct a thorough and appropriate investigation of the membership of Hose Company No. 1 to determine whether probable cause existed to support the filing of the aforesaid infamous

crimen falsi felony and misdemeanor criminal charges against Plaintiff Forish and Fabian Giovannagelo.

- crimen falsi felony and misdemeanor criminal charges against Plaintiff Forish and Fabian Giovannagelo, Hose Company No. 1's approval at its January 9, 2020 monthly meeting of an expenditure of funds from its private financial resources for any member victimized by the retaliatory tactics of Defendant Brasile was properly documented in the recorded minutes of said monthly meeting -- which were confiscated by Defendant Gardner following Plaintiff's arrest on the aforesaid crimen falsi criminal charges -- and was easily discoverable and ascertainable by the above-captioned defendants with a cursory interview of the aforesaid Hose Co. No. 1 members set forth in paragraph 98(b), which defendants wrongfully failed to perform.
- 102. At all times herein mentioned, Defendant City of Latrobe was apprised by Plaintiff Forish and the aforesaid Whistleblowers of Defendant Brasile's instances of fraudulent and criminal actions, wrongdoing, waste, violations of the constitutional and civil rights of Hose Company No.1 members, and tortious behavior prior the filing of the aforesaid infamous *crimen falsi* felony and misdemeanor criminal charges against Plaintiff Forish and Fabian Giovannagelo.
- an approach that it knew, or should have known, would fail to prevent Defendant Brasile from engaging in future instances of fraudulent and criminal actions, wrongdoing, waste, violations of the constitutional and civil rights of Hose Company No.1 members, and tortious behavior against Hose Company No. 1 members, including Plaintiff Forish and the aforementioned Whistleblowers, and reacted with deliberate indifference to, and conscious disregard of, its advance knowledge of

Brasile's propensity to inflict such harm upon others, and failed to properly supervise, discipline, and or re-train him to prevent future constitutional and civil rights violations upon others.

- 104. Policymakers' continued adherence to an approach that they know or should know has failed to prevent tortious conduct by employees may establish the conscious disregard for the consequences of their action -- the deliberate indifference -- necessary to trigger municipal liability. *Connick v. Thompson*, 563 U.S. 51, 61-62 (2011).
- 105. A local government's decision not to train certain employees about their legal duty to avoid violating citizens' rights may rise to the level of an official government policy for purposes of §1983. *Connick v. Thompson*, 563 U.S. 51, 61 (2011).
- 106. Deliberate indifference requires proof that a municipal actor disregarded a known or obvious consequence of his action. Thus, when municipal policymakers are on actual or constructive notice that a particular omission in their training program causes their employees to violate citizens' constitutional rights, the municipality may be deemed deliberately indifferent if the policymakers choose to retain that program.
- 107. Defendant City of Latrobe's policy of inaction in light of notice that its program will cause constitutional violations is the functional equivalent of a decision by Defendant City itself to violate the Constitution. *Connick v. Thompson*, 563 U.S. 51, 61-62 (2011).
- 108. A single action may represent an act of "official government policy" if the acting official is an authorized decision-maker.
- 109. Defendant City, by and through its City Code has adopted the by-laws of Defendant Fire Department.
- 110. In those instances wherein a local government and its high-ranking officials/decision-makers have not set out a formal written policy, Plaintiff may set forth facts that

reveal a governmental custom and/or policy or a "de facto" official policy on behalf of Defendant City.

- 111. Plaintiff may prove that Defendant City, by and through its policymakers, decision-makers and supervisory/management level employees, acted pursuant to a custom to retaliate against Plaintiff for his First Amendment activity even if said custom did not receive formal approval through the decision-making channels of the Defendant City.
- 112. At all times relevant to the within action, Defendant City has developed and maintained official policies and customs of retaliating against individuals who engage in constitutionally protected activity and who exercise their First Amendment right to free speech, as described above.
- 113. Defendants' aforesaid official policies and customs of violating individual's rights resulted in the violation of Plaintiff Forish's Fourteenth Amendment right to due process and a violation of Plaintiff's liberty interest in his name and reputation.
- 114. Defendant City, by and through its supervisory/management level employees, has acted pursuant to said policy and custom and engaged in the constitutional deprivations more fully described above.
- 115. Defendant City developed or maintained policies or customs exhibiting deliberate indifference to the constitutional rights of individuals, including individuals' rights to speak as a citizen on matters of public concern and to due process rights protected by the Fourteenth Amendment.
- 116. Defendant City developed or maintained policies or customs exhibiting deliberate indifference to unjust, unlawful and retaliatory practices by its supervisory/management level employees, wherein individuals, such as Plaintiff Forish, was retaliated against for exercising his

First Amendment rights to citizen speech on matters of public concern and deprived of his Fourteenth Amendment right to due process.

- 117. Defendant City failed or refused to mandate the appropriate in-service training, supervision, and disciplining of its management level agents or employees who were responsible for protecting the civil and constitutional rights of individuals.
- 118. Defendant City has maintained inadequate and defective policies, customs and practices in the hiring of its policymakers, decision-makers and supervisory/ management level employees, including all department heads as defined in the Latrobe City Code.
- 119. Defendant City has maintained inadequate and defective policies, customs and practices of training its supervisory/management level employees concerning the constitutionally protected rights of individuals, including Plaintiff.
- 120. Defendant City failed to adopt policies which were necessary to avoid or prohibit misconduct, civil and constitutional rights violations as set forth herein.
- 121. As a result of the defective and inadequate policies and customs described above and the failure to conduct proper screening, interviewing, training, re-training and failure to adopt the necessary and appropriate disciplinary policies, Defendant policymakers, decision-makers and supervisory/management level employees, including Defendants Brasile and McDowell, Jr. believed that their actions would not be properly monitored and that their acts of misconduct would not be investigated or sanctioned, but rather would be tolerated.
- 122. As a result of the existing policies, customs and deliberate indifference of Defendant City and the wrongful and unconstitutional conduct of its policymakers, decision-makers and supervisory/management level employees, individuals such as Plaintiff Forish have been subjected to civil and constitutional rights violations.

- 123. Defendant City has adopted, participated in, condoned and acquiesced to the above-described wrongful and unconstitutional conduct of its policymakers, decision-makers and supervisory/management level employees and including Defendants Brasile and McDowell, Jr.
- 124. Defendant City has adopted, participated in, condoned and acquiesced to the above-described wrongful, negligent and unconstitutional conduct of Defendant Fire Department in depriving Plaintiff of his constitutional rights.
- 125. Defendant City's adopting and maintaining the above-described defective and inadequate policies and customs and its failure to enact the necessary remedial policies demonstrated a conscious and deliberate indifference and disregard for the well-being and constitutional rights of Plaintiff Florish.

WHEREFORE, Plaintiff, Robert Steven Forish, requests that this Honorable Court enter judgment in his favor and against Defendant, City of Latrobe, and determine that Plaintiff has suffered the substantial and continuing injuries set forth above, and that said injuries resulted from the deprivation of his civil and constitutional rights, discrimination and other wrongful conduct by Defendant, City of Latrobe, and award Plaintiff the following relief:

- A. A declaration that Defendant has violated Plaintiff's civil rights;
- B. Compensatory damages in excess of One Hundred Fifty Thousand (\$150,000.00) Dollars;
- C. Injunctive relief, including entering an Order enjoining Defendant, City of Latrobe, and all supervisory and management level employees of the Defendant City of Latrobe from engaging in further violations of the right to freedom of speech and due process of law and directing that they undertake a remedial program, provide regular and periodic training to their policymakers, decision-makers, and supervisory and management level employees concerning the mandates of the First and Fourteenth Amendments to the United States Constitution;
- D. Attorney's fees as provided for by 42 U.S.C. §1988(b), costs of suit and pre-judgment interest; and

E. Such other equitable relief as this Honorable Court should deem just and proper.

A copy of said check is attached hereto as Exhibit "P-10" and incorporated by reference as though set forth at length below;
- h. August 14, 2020, when Fredrick E. Wolford, Mayor, and (v) LVFD President, Chuck McDowell, Jr. as Defendants.
- 131. A copy of the Police Criminal Complaint and Affidavit of Probable Cause filed against Giovannagelo, and the Unified Judicial System of Pennsylvania Web Portal Docket Statements of Giovannagelo (MJ-10208-CR-0000275-2021) and Forish (MJ-10208-CR-0000274-2021) are attached hereto as Exhibits "P-12," "P-13," and "P-14," respectively, and incorporated by reference as though set forth at length below.

- 132. At all times relevant to the within action, Defendant City acquiesced to, condoned, adopted and participated in the unlawful conspiratorial conduct of Defendants Brasile, McDowell, Jr., Latrobe Volunteer Fire Department, and Gardner.
- 133. At all times herein mentioned, a "meeting of the minds" or "understanding or agreement to conspire" can be "infer[red]" from circumstantial evidence. <u>Startzell v. City of Philadelphia</u>, 533 F.3d 183, 205 (3d Cir. 2008).

WHEREFORE, Plaintiff, Robert Steven Forish, requests that this Honorable Court enter judgment in his favor and against Defendants, jointly and severally, and determine that Plaintiff has suffered the substantial and continuing injuries set forth above, and that said injuries resulted from the deprivation of his civil and constitutional rights, discrimination and other wrongful conduct by Defendants and award Plaintiff the following relief:

A. A declaration that Defendants have violated Plaintiff's civil rights;

- B. Compensatory damages in excess of One Hundred Fifty Thousand (\$ 150,000.00) Dollars;

- E. Attorney's fees as provided for by 42 U.S.C. §1988(b), costs of suit and pre-judgment interest; and
- F. Such other equitable relief as this Honorable Court should deem just and proper.

COUNT IV – PLAINTIFF v. ALL DEFENDANTS SUPPLEMENTAL STATE LAW CLAIM – 28 U.S.C. §1367(a) MALICIOUS PROSECUTION

- 134. Paragraphs 1 through 86 and Counts I, II, and III are incorporated by reference as though set forth at length below.
- 135. At all times herein mentioned, the above-captioned defendants, individually and collectively, were responsible for causing the above-described criminal proceedings before Magisterial District Justice Joseph A. Cannoni to be initiated against Plaintiff Forish and Fabian Giovannagelo on July 20, 2021, resulting in their arrest on infamous *crimen falsi* felony and misdemeanor criminal charges and/or seizure of their property by the Commonwealth of Pennsylvania, all of which was highly publicized and document by the newspaper and television media.

- 136. At all times herein mentioned, the above-captioned defendants, individually and collectively, acted with malice and without probable cause for their actions in criminally prosecuting Plaintiff Forish and Fabian Giovannagelo for infamous *crimen falsi* criminal offenses, including Theft by Deception, 18 Pa.C.S. §3922(a)(1) (Felony 3); Theft by Unlawful Taking or Disposition Movable Property, 18 Pa.C.S. §3921(a) (Felony 3); and Misapplication of Entrusted Property and Property of Government or Financial Institution, 18 Pa.C.S. §4113(a) (Misdemeanor 2) arising from the payment of the above-referenced checks from Hose Company No. 1 to Fredrick E. Charles, Esquire.
- 137. At all times herein mentioned, Defendant Brasile, in his official capacity as Fire Chief for the Latrobe Volunteer Fire Department, and pursuant to the legal principal of *respondeat superior*:
 - a. was legally responsible for all actions, decisions, and courses of conduct engaged in by the officers and/or volunteer fire fighters/members of the various Hose Companies comprising Defendant, Latrobe Volunteer Fire Department; and
 - b. had policy-making authority for Defendant Fire Department and was responsible for carrying out his supervisory responsibilities in a manner which complied with all federal and state laws, the Latrobe City Code, Defendant Fire Department By-laws and the individual by-laws for each incorporated hose company.
- 138. At all times herein mentioned, the above-captioned defendants lacked reasonable ground of suspicion supported by circumstances sufficient to warrant that an ordinary, prudent person in a similar situation could believe that plaintiff Forish and Fabian Giovannagelo were guilty of the criminal offenses charged. See *Turano v. Hunt*, 631 A.2d 822 (Pa.Cmwlth. 1993).
- 139. On December 20, 2021, the above-described criminal charges against Plaintiff Forish and Fabian Giovannagelo were withdrawn and, pursuant to agreement of all parties, the determination of the legality of the aforesaid payments to Fredrick E Charles Esquire from the

financial resources of Hose Company No. 1 was placed in the hands of the Court of Common Pleas of Westmoreland County pursuant to an Interpleader Petition to be filed by Plaintiff Forish and Fabian Giovannagelo in accordance with Rules 2301 through 2324 of the Pennsylvania Rules of Civil Procedure.

- 140. An official court hearing was scheduled and conducted on or about Monday, August 29, 2022 before the Honorable Harry F. Smail, Jr., Judge of the Court of Common Pleas of Westmoreland County, Pennsylvania, concerning the aforesaid Interpleader petition (Case No. 281 of 2022).
- 141. The above-described August 29, 2022 hearing was attended by the above-captioned parties and their legal representatives, including Westmoreland County Assistant District Attorney Leo J. Ciaramitaro, Esquire on behalf of the Commonwealth and the above-named defendants, and Dennis G. Charles, Esquire and Jason N. Huska, Esquire on behalf of Plaintiff Forish and Fabian Giovannagelo, respectively.
- 142. All evidence was presented to Judge Smail and fairly litigated on or about August 29, 2022 surrounding the payment of the above-described legal retainer to Fredrick E. Charles, Esquire by Plaintiff Forish and Fabian Giovannagelo from the private financial resources of Hose Company No. 1, pursuant to legal authority resulting from the unanimous vote of a quorum of the membership of Hose Company No. 1 on January 9, 2020, and on behalf of its above-referenced Whistleblower volunteer firemen who were expelled from Defendant Fire Company by Defendant Brasile and the above-named defendants.
- 143. The Commonwealth of Pennsylvania failed to answer the above-described Petition for Interpleader filed by Plaintiff Forish and Fabian Giovannagelo, and offered no evidence at said Interpleader hearing to rebut Petitioners Forish's and Giovannagelo's evidence establishing the

legality and propriety of their payment of Fredrick E. Charles, Esquire's legal retainer from Hose Company No. 1 funds.

- 144. On August 30, 2022, the Honorable Harry F. Smail, Jr. favorably determined the aforesaid Interpleader Petition on behalf of Plaintiff Forish and Fabian Giovannagelo, upheld the termination of said criminal proceedings with prejudice, and prohibited any further criminal allegations to be filed by the Commonwealth of Pennsylvania on behalf of the above-captioned defendants against Plaintiff Forish and Fabian Giovannagelo arising from the payment of the aforesaid legal retainer of Fredrick E Charles, Esquire from the funds of Hose Company No. 1. The content of the Honorable Harry F. Smail, Jr.'s August 30, 2022 Order of Court, and the Petition for Interpleader, are incorporated by reference as though set forth at length below.
- 145. It is respectfully submitted that the above-captioned defendants are collaterally estopped by the Court of Common Pleas of Westmoreland County's termination with prejudice of Defendants' above-referenced criminal charges and allegations of wrongdoing by Plaintiff Forish and Fabian Giovannagelo, and decision in favor of Plaintiff Forish and Fabian Giovannagelo, including the Court's acceptance of all allegations contained in the Interpleader petition as true, following the August 29, 2022 Interpleader hearing.
- 146. As a direct and proximate result of the above-captioned defendants' intentional and reckless conduct and malicious prosecution of Plaintiff Forish as heretofore described, he suffered severe harm and damages, some or all of which may be permanent, including;
 - a. lawyers' fees incurred by Plaintiff Forish in his successful defense of the criminal charges that the above-captioned defendants caused be brought against him, as well as in said Interpleader cause of action;
 - b. harm to his formerly unblemished reputation for honesty, truthfulness, veracity, and law abidingness in the community;

- c. pecuniary or financial losses resulting from the above-captioned defendants' extreme and outrageous conduct as heretofore described; and
- d. severe, intense, and highly unpleasant mental reactions and emotional stress, such as mental anguish, embarrassment, humiliation, depression, anxiety, horror, grief, shame, anger, chagrin, disappointment, worry, and other mental disorders and symptoms classified in the Diagnostic and Statistical Manual of Mental Disorders-Fifth Edition-Text Revised (DSM-V-TR), as amended, as well as cardiac and other physical harm and maladies as set forth in Plaintiff Forish's medical records, which are incorporated by reference as though set forth at length below, and arising from the above-captioned defendants' extreme and outrageous conduct as heretofore described.
- 147. At all times herein mentioned, the aforesaid harm and damages suffered by Plaintiff Forish were the direct and proximate result of the Defendants' intentional and reckless conduct and malicious prosecution of him as heretofore described, and was not caused by any negligent act or failure to act on the part of the Plaintiff Forish, who at all times conducted himself in a careful, prudent and law-abiding manner.
- 148. Plaintiff, Forish has pursued all necessary and reasonable measures to mitigate his damages suffered in the above-described malicious prosecution.
- 149. At all times herein mentioned, the above-described defendants' malicious prosecution of Plaintiff Forish with the above-described *crimen falsi* felony and misdemeanor criminal offenses without supporting evidence or probable cause constituted extreme, outrageous, and reprehensible conduct that goes beyond all possible bounds of decency and would be regarded as atrocious and utterly intolerable in a civilized community, thus meriting the award of punitive damages against all non-municipal defendants, jointly and severally.

WHEREFORE, the Plaintiff, Robert Steven Forish, demands judgment against the above-captioned defendants for general and special damages and costs of suit, and punitive damages, jointly and severally, against the above-captioned non-municipal defendants, as appropriate, and such additional relief as this Honorable Court deems appropriate.

<u>COUNT V –</u> <u>PLAINTIFF v. ALL DEFENDANTS</u> <u>SUPPLEMENTAL STATE LAW CLAIM – 28 U.S.C. §1367(a) –</u> <u>ABUSE OF PROCESS</u>

- 150. Paragraphs 1 through 86 and Counts I, II, III, and IV are incorporated by reference as though set forth at length below.
- 151. On July 20, 2021, Defendant Gardner, following consultation with Defendants Brasile, McDowell, Jr., Latrobe Volunteer Fire Company, and/or City of Latrobe, filed a criminal complaint (No. 20210258) against Plaintiff Forish at Docket Number at MJ-10208-CR-0000274-2021 and OTN Number R 157013-3 charging him with the *crimen falsi* criminal offenses of Theft by Deception, 18 Pa.C.S. §3922(a)(1) (Felony 3); Theft by Unlawful Taking or Disposition Movable Property, 18 Pa.C.S. §3921(a) (Felony 3); and Misapplication of Entrusted Property and Property of Government or Financial Institution, 18 Pa.C.S. §4113(a) (Misdemeanor 2) arising from the payment of the above-referenced checks from Hose Company No. 1 to Fredrick E. Charles, Esquire.
- 152. On July 20, 2021, Plaintiff Forish was arrested without warrant by Defendant Gardner and preliminarily arraigned on the above-described *crimen falsi* felony and misdemeanor criminal charges before Magisterial District Justice Joseph A. Cannoni.
- 153. On July 20, 2021, Plaintiff Forish's freedom, good name and reputation were irreparably harmed when he was arrested by Defendant Gardner without probable cause, subjected to the power and control of the Commonwealth of Pennsylvania, and placed under the terms and conditions of \$25,000 unsecured bail.
- 154. At all times herein mentioned, no probable cause or evidence existed to legally justify the Commonwealth of Pennsylvania's arrest of Plaintiff Forish and Fabian Giovannagelo

on the above-referenced *crimen falsi* felony and misdemeanor criminal charges, and a determination in favor of Plaintiff Forish and Fabian Giovannagelo to said effect ultimately was made by the Honorable Harry F. Smail, Jr., Judge of the Court of Common Pleas of Westmoreland County, on August 30, 2022.

155. At all times herein mentioned, Defendant Gardner acted in concert, and pursuant to a plot, plan, scheme, or conspiracy, with Defendants Brasile, McDowell, Jr., Latrobe Volunteer Fire Department and its representatives, and/or the City of Latrobe to abuse the criminal justice system and the arrest power of the Commonwealth of Pennsylvania in order to punish and unlawfully retaliate against Plaintiff Forish and the aforementioned volunteer firemen, to wit, Fabian Giovannagelo, Cody Giovannagelo, Nico Giovannagelo, Christopher Blessing, and Ryan Jones, for their good faith reporting and disclosures pursuant to the First Amendment and the Pennsylvania Whistleblower Law, 43 P.S. §§ 1423 – 1428, concerning instances of criminal and civil wrongdoing, fraud, and/or waste by Defendants Brasile, McDowell, Jr., and/or the City of Latrobe in their operation, control, and management of Defendant Latrobe Volunteer Fire Department.

156. At all times herein mentioned, Defendant Gardner acted in concert, and pursuant to a plot, plan, scheme, or conspiracy, with Defendants Brasile, McDowell, Jr., Latrobe Volunteer Fire Department, and/or the City of Latrobe to abuse the criminal justice system and the arrest power of the Commonwealth of Pennsylvania in order to chill, impede, obstruct, and hinder further investigation and public disclosure by Plaintiff Forish and the aforementioned volunteer firemen, to wit, Fabian Giovannagelo, Cody Giovannagelo, Nico Giovannagelo, Christopher Blessing, and Ryan Jones, of the instances of civil and criminal wrongdoing, fraud, waste, and constitutional

violations by Defendants Brasile, McDowell, Jr., Latrobe Volunteer Fire Department, and City of Latrobe, as heretofore described.

- 157. Following Defendant Gardner's arrests of Plaintiff Forish and Fabian Giovannagelo on July 20, 2021 on the above-stated infamous *crimen falsi* felony and misdemeanor criminal charges, Defendant Brasile announced to the media, and it was reported in the newspaper, that he felt "vindicated" by said arrests.
- 158. Where the actor misuses the custody which he has obtained of another by a privileged arrest under a warrant, his misuse is an abuse of process. *Restatement (Second) of Torts* § 136, comment d.
- 159. Where the arrest is made without a warrant, there is no process to abuse, but the actor's misuse of the power which the custody taken under such an arrest gives him over the other is an abuse of his privilege to arrest and has the same effect as an abuse of process. *Restatement* (Second) of Torts § 136, comment d.
- 160. At all times herein mentioned, Defendant Gardner, working in concert with Defendant Brasile and the above-captioned defendants, misused and perverted the custody which he obtained over Plaintiff Forish and Fabian Giovannagelo by arrest with or without warrant, and constitutes an abuse of process. See *Publix Drug Co. v. Breyer Ice Cream Co, 32 A.2d 413, 415* (*Pa. 1943*).
- 161. At all times herein mentioned, the above-described defendants' abuse of process proximately resulting from the filing of the above-described infamous, *crimen falsi* felony and misdemeanor criminal offenses against Plaintiff Forish and Fabian Giovannagelo without probable cause or supporting evidence and constituted extreme, outrageous, and reprehensible conduct that goes beyond all possible bounds of decency and would be regarded as atrocious and

utterly intolerable in a civilized community, thus meriting the award of punitive damages against all non-municipal defendants, jointly and severally.

WHEREFORE, the Plaintiff, Robert Steven Forish, demands judgment against the above-captioned defendants for general and special damages and costs of suit, and punitive damages, jointly and severally, against the above-captioned non-municipal defendants, as appropriate, and such additional relief as this Honorable Court deems appropriate.

COUNT VI – PLAINTIFF v. ALL DEFENDANTS SUPPLEMENTAL STATE LAW CLAIM – 28 U.S.C. §1367(a) – INTENTIONAL INFLICTION OF EMOTIONAL DISTRESS

- 162. Paragraphs 1 through 86 and Counts I, II, III, IV, and V are incorporated by reference as though set forth at length below.
- 163. The aforesaid extreme and outrageous conduct, acts or omissions of the Defendants within the scope of their employment were calculated, designed and intended to intentionally inflict deliberate emotional distress, psychological trauma, and physical and/or emotional pain and suffering upon Plaintiff Forish.
- 164. Defendants engaged in said conduct with the intent to instill an immediate and permanent sense of fear in the mind of Plaintiff Forish.
- 165. Plaintiff Forish suffered extreme and traumatic emotional distress, fear, anxiety, embarrassment, humiliation, pecuniary loss, loss of life's enjoyments and pleasures, and resulting physical, psychological, and emotional pain, all to his great detriment, and as a direct and proximate result of the above-captioned Defendants' willful misconduct and intentional, outrageous, and egregious behavior that went beyond all possible bounds of decency and would be regarded as atrocious and utterly intolerable in a civilized community.

- 166. The cause of action against the above-named Defendants for the tort of Intentional Infliction of Emotional Distress is recognized under the laws of the Commonwealth of Pennsylvania and by the Pennsylvania courts. <u>Papieves v. Kelly, 263 A.2d 118 (Pa. 1970)</u>; Restatement (Second) of Torts § 46(1); Pa. SSJI (Civ) 17.40.
- 167. Defendants' above-described outrageous, atrocious, and egregious behavior towards Plaintiff Forish directly and proximately caused him to suffer severe, intense, continuing, and disabling emotional distress, all of which may be permanent in nature.
- 168. As a direct and proximate result of the Defendants' intentional and malicious actions and the physical, psychiatric and emotional harm that proximately resulted therefrom, Plaintiff Forish incurred, and will continue to incur, financial expenses, medical bills, and economic loss, to his great detriment and for which he is entitled to recover damages.
- 169. As a direct and proximate result of the intentional, outrageous, atrocious, egregious, dishonest, and injurious conduct, actions, and omissions of the above-captioned defendants, Plaintiff Forish suffered extreme emotional and psychological stress, trauma, mental anguish, pain and suffering, fright, horror, grief, shame, embarrassment, and humiliation, and is entitled to punitive damages, jointly and severally, against the individual/non-municipal defendants.

WHEREFORE, the Plaintiff, Robert Steven Forish, demands judgment against the above-captioned defendants for general and special damages and costs of suit, and punitive damages, jointly and severally, against the above-captioned non-municipal defendants, as appropriate, and such additional relief as this Honorable Court deems appropriate.

INSTRUCTIONS FOR ATTORNEYS COMPLETING CIVIL COVER SHEET FORM JS 44

Authority For Civil Cover Sheet

The JS 44 civil cover sheet and the information contained herein neither replaces nor supplements the filings and service of pleading or other papers as required by law, except as provided by local rules of court. This form, approved by the Judicial Conference of the United States in September 1974, is required for the use of the Clerk of Court for the purpose of initiating the civil docket sheet. Consequently, a civil cover sheet is submitted to the Clerk of Court for each civil complaint filed. The attorney filing a case should complete the form as follows:

- **I.(a)** Plaintiffs-Defendants. Enter names (last, first, middle initial) of plaintiff and defendant. If the plaintiff or defendant is a government agency, use only the full name or standard abbreviations. If the plaintiff or defendant is an official within a government agency, identify first the agency and then the official, giving both name and title.
 - (b) County of Residence. For each civil case filed, except U.S. plaintiff cases, enter the name of the county where the first listed plaintiff resides at the time of filing. In U.S. plaintiff cases, enter the name of the county in which the first listed defendant resides at the time of filing. (NOTE: In land condemnation cases, the county of residence of the "defendant" is the location of the tract of land involved.)
 - (c) Attorneys. Enter the firm name, address, telephone number, and attorney of record. If there are several attorneys, list them on an attachment, noting in this section "(see attachment)".
- II. Jurisdiction. The basis of jurisdiction is set forth under Rule 8(a), F.R.Cv.P., which requires that jurisdictions be shown in pleadings. Place an "X" in one of the boxes. If there is more than one basis of jurisdiction, precedence is given in the order shown below.

 United States plaintiff. (1) Jurisdiction based on 28 U.S.C. 1345 and 1348. Suits by agencies and officers of the United States are included here. United States defendant. (2) When the plaintiff is suing the United States, its officers or agencies, place an "X" in this box. Federal question. (3) This refers to suits under 28 U.S.C. 1331, where jurisdiction arises under the Constitution of the United States, an amendment to the Constitution, an act of Congress or a treaty of the United States. In cases where the U.S. is a party, the U.S. plaintiff or defendant code takes precedence, and box 1 or 2 should be marked.

 Diversity of citizenship. (4) This refers to suits under 28 U.S.C. 1332, where parties are citizens of different states. When Box 4 is checked, the citizenship of the different parties must be checked. (See Section III below; NOTE: federal question actions take precedence over diversity cases.)
- III. Residence (citizenship) of Principal Parties. This section of the JS 44 is to be completed if diversity of citizenship was indicated above. Mark this section for each principal party.

 - 32. At all times relevant to the within matter, Defendant Fire Department and

its hose companies had firefighters who were trained in the utilization of facial masks to combat fires without sustaining injury from smoke inhalation (hereinafter "masked firefighters").

- 33. During the 2019 and 2020 calendar years, Defendant Brasile's conduct and fire safety issues were discussed on numerous occasions by Plaintiffs, their families and Latrobe residents.
- 34. Pursuant to Defendant Fire Department By-laws, on November 7, 2019, Plaintiff N. Giovannagelo was nominated for the position of Latrobe fire chief, in opposition to Defendant Brasile and an election was scheduled for Thursday, December 5, 2019.
- 35. On November 7, 2019, Defendant Brasile had a conversation with Plaintiff F. Giovannagelo, wherein he referred to a Hose Company No. 1 female firefighter as "a slut" and accused her of intentionally wearing tight clothes and dressing in a manner "to show off her camel t - ."
- 36. During this conversation, Defendant Brasile referred to two (2) Latrobe firefighters with dark facial complexions as being the hose company's "Mexicans."
- 37. In the presence of other firefighters, Defendant Brasile, referred to a firefighter's wife as a "fat, f--king, c--t."
- 38. On November 7, 2019, Plaintiff F. Giovannagelo directly confronted and challenged Defendant Brasile concerning Defendant Brasile's false accusations, policies, inappropriate comments and harassment of a female firefighter.
- 39. Defendant Brasile had made defamatory, false and damaging accusations against Plaintiffs, including that Plaintiffs had responded to fire calls while intoxicated or under the influence of controlled substances.

- 40. Plaintiff F. Giovannagelo further challenged Defendant Brasile to take disciplinary action if he felt it appropriate and to provide the accused firefighters, including the above-named Plaintiffs, a hearing/proceeding wherein they could respond to his false accusations and clear their names.
- 41. On November 14, 2019, Plaintiff C. Giovannagelo openly complained that Defendant Brasile had held back the highest number of "masked firefighters" in the department, that the fire department is in need of a change in leadership and that he feared some resident of the city is going to be severely injured or killed in a fire because of Defendant Brasile's lack of leadership and ineffective safety policies.
- 42. On numerous occasions, each of the above Plaintiffs, as Latrobe residents, had conversations with other Latrobe residents concerning fire safety matters and other concerns which were contemporaneous to and/or incorporated in each Plaintiff's speech as citizens on matters of public concern.

Defendant Brasile's Interference - Application For Grant Monies

- 43. In December, 2019, Plaintiffs Blessing, C. Giovannagelo, F. Giovannagelo N. Giovannagelo and Assistant Fire Chief John D. Gessler (hereinafter "Assistant Chief Gessler") were engaged in the process of completing Hose Company No. 1's applications for grant monies, including a one hundred eighty thousand (\$ 180,000.00) dollar Federal Emergency Management Agency (FEMA) grant to purchase lifesaving equipment and a five thousand (\$ 5,000.00) dollar grant to purchase "turn out gear" for brush forest fires.
 - 44. The aforesaid grant monies were necessary for Defendant City to comply

with the mandates for firefighting operations and equipment set by the National Fire Protection Association (hereinafter "NFPA").

- 45. The NFPA establishes testing standards in order to determine the life span and/or impose time limits on each piece of fire safety equipment.
- 46. Failure to comply with the NFPA mandates subjects the Defendant City to additional liability for fighting fires with unsafe/inadequate equipment and jeopardizes the City's ability to obtain liability insurance.
- 47. The utilization of firefighting equipment that fails NFPA standards further creates safety risks for the residents and structures of Defendant City and subjects Defendant City to civil liability for the negligent use of faulty firefighting equipment.
- 48. On December 2, 2019, Defendant Brasile ordered the shutdown of Hose Company No. 1.
- 49. Defendant Brasile's unauthorized action violated the Latrobe City Code,
 Defendant Fire Department By-laws and Hose Company No. 1 By-laws.
- 50. Defendant Brasile's unauthorized shutdown and suspension removed Plaintiffs Blessing, C. Giovannagelo, F. Giovannagelo and N. Giovannagelo and Assistant Chief Gessler from the grant application process, adversely affected and severely jeopardized Defendant City's ability to timely complete and file the grant applications.
- 51. On December 2, 2019, Plaintiff C. Giovannagelo spoke with Defendant Wolford over the telephone and complained:
 - a) that Defendant Brasile's unauthorized shutdown of Hose Company No. 1 and suspension of the seven (7) "masked firefighters" had interfered with Defendant Fire Department

- from securing the additional grant money and as a result, Defendant City will have to utilize defective equipment to fight fires;
- b) that all five (5) hose companies were struggling to "crew masked firefighters";
- c) that by barring Hose Company No. 1 its "masked firefighters" from responding to fire calls in the First Ward, Defendant Brasile had subjected the First Ward residents and structures to unnecessary fire risks;
- d) that his Uncle Dom and Aunt Lisa and their families reside in the First Ward;
- e) that his uncle (Plaintiff F. Giovannagelo) owns several properties with structures in the First Ward; and
- f) that Plaintiffs Blessing and Jones and their families reside in the First Ward.
- 52. On December 2, 2019, at a special meeting of Hose Company No. 1,

 Plaintiff C. Giovannagelo complained about Defendant Brasile's negligent and irresponsible

 decision to bar Hose Company No 1 and its "masked firefighters" from responding to fire calls in
 the First Ward.
- 53. At said meeting, Plaintiff C. Giovannagelo stated that the other hose companies were struggling to "crew masked firefighters" and by preventing the "masked firefighters" from Hose Company No.1 from responding to fire calls, Defendant Brasile had placed the entire city and its structures at risk.
- 54. On December 2, 2019, Plaintiff F. Giovannagelo spoke with former Latrobe mayor, James Gebicki (hereinafter "Mr. Gebicki") and complained that:
 - a) by unjustly suspending Plaintiffs Blessing, C. Giovannagelo and N. Giovannagelo, Defendant Brasile had recklessly obstructed

- Defendant City's opportunity to obtain grant monies and purchase proper firefighting equipment to comply with NFPA standards;
- b) Defendant Brasile had falsified his call response numbers in order to obtain a higher personal stipend;
- c) Defendant Brasile had falsified fire call response statistics in order to exaggerate the Defendant City's ISO rating;
- d) Defendant Brasile's falsifying personal and department call response statistics which may be illegal;
- e) on several occasions Defendant Brasile had reported to be at the scene of a fire call when he was actually with Plaintiff away from the fire call scene; and
- f) on more than one occasion, Defendant Brasile falsely reported to be at a fire scene, was in the presence of Plaintiff, had displayed to Plaintiff pornographic images that Defendant Brasile had downloaded to his cell phone and forwarded these images to firefighters who were on fire calls.
- 55. On December 2, 2019, Plaintiffs F. Giovannagelo and N. Giovannagelo complained to Defendant Wolford about Defendant Brasile's lack of leadership, lack of proper safety policies, reprehensible comments about women, including a firefighters wife, sexual harassment of a female firefighter, his delaying fire call responses and his jeopardizing Defendant City's ability to obtain grant monies in order to comply with NFPA standards.
- 56. Plaintiffs requested Defendant Wolford's intervention however, she refused to intervene and advised both Plaintiffs "you have by-laws, handle this yourself."
- 57. On December 3, 2019, Plaintiff Jones spoke with a group of Latrobe
 First Ward residents and discussed the safety risks to the community resulting from Defendant
 Brasile's conduct, including:

- a) Defendant Brasile's shutdown of Hose Company No. 1 and suspension of seven (7) masked firefighters;
- b) Defendant Brasile's negligently preventing Defendant City from obtaining grant money to purchase firefighting equipment which complies with NFPA standards;
- c) Defendant Brasile's sexual harassment of a female firefighter and misogynistic attitude toward women;
- d) Defendant Brasile's lack of proper safety policies;
- e) Defendant Brasile's falsifying his personal response times to obtain a higher personal stipend;
- f) Defendant Brasile's falsifying the department's call response times in order to inflate Defendant Fire Department's ISO rating;
- g) Defendant Brasile's failure to personally inspect the fire hydrants within Defendant City; and
- h) Defendant Brasile's false certification that one hundred (100%) percent of Defendant City's fire hydrants were functional when in Plaintiff's opinion, more than fifty (50%) percent of said fire hydrants were not functional.
- 58. During his conversation with the First Ward residents, Plaintiff Jones described the safety risks resulting from Defendant Brasile's false representations that all city fire hydrants were functional and operational.
- 59. Plaintiff Jones discussed with the First Ward residents the manner in which he had personally witnessed incidents of fire hydrant failure which were the direct result of the lack of proper fire hydrant inspection.
 - 60. Plaintiff Jones further advised the First Ward residents that:
 - a) the lack of proper fire hydrant inspection and/or testing may lead to dirt or debris in the water line which may cause a

- fire hydrant not to function at full capacity;
- b) a hydrant not functioning at full capacity could result in loss of water supply and an inability to effectively extinguish fires thereby causing serious injury or death to fire victims; and
- c) an improperly functioning fire hydrant may lead to a water main break which may shutdown other hydrants.
- 61. Plaintiff Jones reminded the First Ward residents that he, his wife and family were also First Ward residents and that he shared in their safety concerns.
- 62. On December 5, 2019, Defendant Brasile suspended seven (7) masked firefighters including Plaintiffs N. Giovannagelo and C. Giovannagelo.
- 63. On December 5, 2019, Plaintiff Jones spoke with Bradenville,
 Pennsylvania fire Chief Mark Piantine (hereinafter "Chief Piantine") about the safety risks
 created by Defendant Brasile's above-described conduct.
- 64. During said conversation, Chief Piantine advised Plaintiff Jones that as a result of Defendant Brasile's above-described conduct, the Bradenville Mutual Aid Fire Company would no longer request firefighting resources from Latrobe nor would said company respond to requests from Latrobe for assistance.
- 65. On December 5, 2019, Plaintiff Blessing stated to former Defendant Fire Department President Tom McMaster (hereinafter "Mr. McMaster") that "something needs to be done, we are trying to make a leadership change because our chief is out of control to the point of making sexual comments about the female firefighter to several people."
- 66. On December 6, 2019, Plaintiff Jones spoke with Assistant Chief Gessler and other residents and discussed the safety risks created by Defendant Brasile's interference

with the grant application process and the Bradenville fire company's decision not to request assistance or to respond to requests for assistance from the Defendant Fire Department.

- 67. Plaintiff Jones further complained that Defendant Brasile's actions had placed two (2) communities at risk in the event of a fire.
- 68. Plaintiff Jones further complained to Assistant Chief Gessler that, without the proper safety and lifesaving equipment, the fire department's ability to safely provide fire protection to the community has been greatly diminished.
- 69. On December 8, 2019, Justin Hayes, a Latrobe resident, said to Plaintiff Blessing, "He (Defendant Brasile) took away firefighters from a city that has large buildings such as the hospital, the brewery and Latrobe Steel. I work at a large facility, what happens if that catches fire? There's a lot of people in those buildings and if there's no one to go in and rescue them, that is a lot of lives at stake."
- 70. On December 9, 2019, Joe Mulheren, a Latrobe resident, stated to Plaintiff
 F. Giovannagelo, "By his (Defendant Brasile) suspending so many of the firefighters from
 Company 1 are there enough left to handle the emergencies in the First Ward?"
- 71. On December 9, 2019, Plaintiff C. Giovannagelo had a conversation with Thomas P. Schultheis, Jr. (hereinafter "Mr. Schultheis"), a Unity Township EMA Director, wherein they discussed Unity Township Mutual Aid Fire Company's, request for resources from Defendant Fire Department on fire calls and the problems Defendant Brasile created with the Bradenville Fire Department.
- 72. Plaintiff C. Giovannagelo advised Mr. Schultheis, "Chief Brasile is holding us on calls and isn't responding to the requests of the mutual aid companies. I am

concerned for the residents of your district, because Chief Brasile, for no good reason, is withholding our resources to help fight the fires in your district."

- 73. Comments from Plaintiffs Blessing, Jones and C. Giovannagelo to Mr. McMaster, Chief Piantine, Assistant Chief Gessler and Mr. Schultheis were reported to Defendant Brasile.
- 74. On December 10, 2019, Jeff Powers, a Latrobe resident stated to Plaintiff N. Giovannagelo, "By shutting down Hose Company No. 1, the strongest station in the city and then suspending seven of the strongest skilled firefighters in the city, Mr. Brasile took away people that can run in and save people from burning buildings. People are going to get hurt because of his actions."
- 75. Plaintiffs, other firefighters and Latrobe residents attended the December,2019, Latrobe City Council Meeting.
- 76. Prior and subsequent to said meeting, Plaintiffs spoke with council members about the safety risks to the community caused by Chief Brasile's above-described conduct.
- 77. Individual members of city council, including members of the Fire and Safety Committee stated that they were unaware Defendant Brasile's above-described conduct.
- 78. Before, during and after said meeting, Plaintiff N. Giovannagelo made public comments to Defendant Wolford and members of City Council about Defendant Brasile's lack of leadership and safety policies, failure to respond to fire calls and his negligent and irresponsible removal of one-third of Defendant City's best trained masked firefighters.
 - 79. Plaintiff N. Giovannagelo accused Defendant Brasile of dishonesty in

tabulating his personal response call numbers, of creating false and exaggerated statistics for the purpose of obtaining ISO grants and of placing the residents and structures of the Defendant City, including the First Ward, at risk of great harm due to fire.

- 80. At the close of said meeting, Defendant Wolford instructed Plaintiffs to "handle the matter internally" and to "follow the Fire Department and/or Hose Company No. 1 By-laws."
- 81. In accordance with Defendant Department By-laws and the directive of Defendant Wolford, a meeting before the Defendant Fire Department membership was scheduled for January 2, 2020, in order to address possible discipline to Defendant Brasile in the form of suspension or removal as fire chief.
- 82. On December 14, 2019, Plaintiff Jones spoke with Assistant Chief Gessler and repeated his concerns about the above-described safety risks to his family, Plaintiff Blessing's family, the Giovannagelo family and all First Ward residents as a result of Defendant Brasile's above-described conduct.
- 83. Plaintiff Jones further complained that, as a result of Defendant Wolford's refusal to intervene, all Latrobe residents were subjected to an unnecessary, increased risk of damage, injury or death due to fire.
- 84. On December 15, 2019, Tiara Rudy, a Latrobe resident, stated to Plaintiff F. Giovannagelo, "So, because he (Defendant Brasile) is going after one person for numbers, I have to worry about my safety because he shut the station down."
- 85. On December 15, 2019, Jeff Smetanka, a Latrobe resident, stated to Plaintiff F. Giovannagelo, "With there already being a shortage of firefighters and John

(Defendant Brasile) suspending those firefighters, I don't have confidence that there are enough firefighters to put out fires in the city."

- 86. On December 15, 2019, Plaintiff Jones had a second conversation with Chief Piantine, wherein he discussed his prior concerns about the defective fire hydrants, lack of updated safety and lifesaving equipment, Defendant Fire Department's severely limited resources and the safety risks to his family and the Latrobe and Bradenville communities resulting from Defendant Brasile's above-described actions.
- 87. On December 15, 2019, Plaintiff N. Giovannagelo stated to Mr. McMaster and other firefighters that, "I have proof that Chief Brasile has been falsifying the numbers on fire calls, he told us that it was because he wanted to maintain Latrobe's ISO rating."
- 88. Plaintiff N. Giovannagelo accused Defendant Brasile of being dishonest and claiming credit for responding to fire calls for which he had not responded and for attempting to oversee fire calls from his vehicle and other locations away from the fire call location.
- 89. Plaintiff N. Giovannagelo advised Mr. McMaster that he believed

 Defendant Brasile's conduct, unnecessarily created safety risks to the Latrobe community and
 may be illegal.
- 90. On December 19, 2019, Phil Hood, a Latrobe resident, said to Plaintiff F. Giovannagelo, "You (Hose Company No. 1) ran calls for other stations in the city because they couldn't crew. By his (Defendant Brasile) shutting the station down and suspending those guys, two areas of the city have their safety from fires compromised."
 - 91. On January 2, 2020, Devin Grimm, a Latrobe resident, stated to Plaintiff

- N. Giovannagelo, "One man's (Defendant Brasile) ego has put the entire city at risk. Shutting Company No.1 down causes a longer response time for fires in the First Ward. The longer a fire burns, the more property damage done and the longer someone trapped inside has to wait to be rescued.
- 92. On January 2, 2020, Plaintiff Blessing spoke with Robert Forish (hereinafter "Mr. Forish") a Latrobe City councilman and a member of Council's Fire and Safety Committee and stated, "I am concerned about the safety of our community because of the selfish, negligent and dishonest conduct of Chief Brasile."
 - 93. Plaintiff Blessing complained that:
 - a) Defendant Brasile had recklessly held back Hose Company No. 1 from responding to a gas leak call which ultimately resulted in three (3) residents becoming seriously ill from exposure to gas;
 - b) six (6) firefighters were available and located within a half mile of the gas leak call and were prohibited from responding to said call by Defendant Brasile;
 - c) Defendant Brasile was not present and refused to appear at the scene of the gas leak when he ordered the firefighters not to respond to the call; and
 - d) on a too often basis, Defendant Brasile negligently and recklessly has prohibited the five (5) hose companies from responding to fire calls in their own geographic areas.
- 94. Mr. Forish advised Defendant Brasile and other members of Latrobe City Council of Plaintiff Blessing's statements.
- 95. On January 2, 2020, at a meeting of the entire membership of Defendant Fire Department, Plaintiff N. Glovannagelo stated, "Chief Brasile has continued to make unsafe decisions. He has held the hose companies back on calls, suspended much needed masked men,

suspended line officers who supervised fire calls and falsely claiming to be present for fire calls when he was not there, including a call where a firefighter was injured."

- 96. Plaintiff N. Glovannagelo further stated that "The taxpayers of this city pay for fire protection and because Chief Brasile keeps making these decisions, their safety is compromised."
- 97. On January 2, 2020, Plaintiff N. Giovannagelo spoke with Mr. Forish, and stated, "As a councilman and a member of the Fire Safety Committee, you need to know that the safety of this city is at risk. When Chief Brasile shutdown Hose Company No. 1 and suspended our members, other people refused to support the fire department efforts because they feared retaliation from Chief Brasile."
- 98. Plaintiff N. Giovannagelo further stated "Council needs to take a hard look at Chief Brasile's reporting of his fire calls. He's taking credit for a lot of calls he was never at and that is a matter of public safety. He is further lying to maintain the Department's ISO rating, which is clearly dishonest and may be illegal."
- 99. At the meeting on January 2, 2020, Plaintiff Jones repeated his complaints about Defendant Brasile's lack of proper safety policies, failing to properly test all fire hydrants, falsely reporting his and department response call statistics, falsely representing that one hundred (100) percent of the Latrobe fire hydrants were fully operational and his interference with the grant application process, which compromised Defendant City's ability to procure proper safety and lifesaving equipment.
- 100. At said meeting, Plaintiff Jones stated that he had previously advised members of city council, Latrobe policymakers, other firefighters and community residents that

the fire hydrants in Defendant City were inadequate for fighting fires.

- 101. Plaintiff Jones further stated that Defendant Brasile had intentionally falsified the number of fire hydrants that were fully operational.
- 102. At the meeting on January 2, 2020, Plaintiff F. Giovannagelo stated that Defendant Brasile's falsifying his fire call response numbers, falsely claiming to be at fire calls wherein he was absent, falsifying the department's ISO rating and approving defective fire hydrants necessitated a full investigation and Defendant Brasile's suspension as fire chief.
- 103. At the close of the aforesaid meeting, over two-thirds of the membership in attendance voted to conduct a full investigation into Defendant Brasile's conduct and to suspend him as fire chief.
- 104. On January 3, 2020, Mr. McMaster advised Plaintiffs that Defendant Wolford had intervened on Defendant Brasile's behalf, ordered that the vote of the membership to suspend Defendant Brasile be overturned and ordered that the Defendant City validate the December, 2019, election results, wherein Defendant Brasile removed his opponent from the ballot and declared himself the fire chief by acclamation.
- 105. Neither Plaintiffs nor any member of the Defendant Fire Department received any official notice or written correspondence from Defendant Wolford or City Council nor did they receive any legal opinion justifying the Defendants' reversal of the lawful membership vote to suspend Defendant Brasile.
- 106. On January 6, 2020, prior to, during and after the Latrobe City Council meeting, Plaintiff Blessing directed comments to Defendant Wolford and members of city council, including:

- a) that Defendant Brasile had claimed to be present for fire calls for which he was absent;
- b) that Defendant Brasile had claimed to be present for and supervising a fire call, wherein he was absent and a firefighter was seriously injured;
- c) that Defendant Brasile had falsified his own and Department fire call statistics for his own personal gain and to inflate the Defendant City's ISO rating, which may be illegal;
- d) that Defendant Brasile lacked proper safety policies, guidance and leadership;
- e) that Defendant Brasile had recklessly interfered with the grant application process;
- f) that Defendant Brasile had engaged in sexual harassment of a female firefighter; and
- g) that Defendant Brasile's negligence, lack of leadership, ineffective safety policies had placed Plaintiff Blessing, his family, First Ward residents and all Latrobe residents at risk of serious injury or death due to fire.
- 107. At said meeting, each of the above-named Plaintiffs objected to

 Defendants' reversal of Defendant Fire Department's lawful vote to suspend Defendant Brasile.
- 108. Plaintiffs further objected to Defendants' acceptance and validation of the illegal vote for fire chief taken in December, 2019, wherein Defendant Brasile suspended and removed his opponent from the ballot and claimed victory by acclamation.
- 109. At the close of said meeting, Defendant Wolford directed Plaintiffs to follow Defendant Fire Department By-laws and stated, "If you want a new chief, you need a new vote."
 - 110. On January 7, 2020, after reading the events of the Latrobe City Council

meeting as reported in the Latrobe Bulletin, Stephanie Smith, a Latrobe resident, approached Plaintiff N. Giovannagelo and stated, "I used to be a member of the Fire Department Support Services. John (Defendant Brasile) threw me out of the department because I shared a post about another fire department's fundraiser on the support services' Facebook page. After he shut down the station and suspended those people, I can see he hasn't changed. It scares me that we are losing firefighters because, if a fire starts in somebody's home and there is no one to come and put it out, people can die."

- 111. On January 9, 2020, a membership meeting of Hose Company No. 1 was scheduled and the Honorable Joseph Petrarca (hereinafter "Representative Petrarca"), serving the 55th Legislative District of the Pennsylvania House of Representatives, including Defendant City was an invited guest speaker.
- 112. Prior to and subsequent to said meeting, Plaintiffs Blessing and C. Giovannagelo spoke directly with Representative Petrarca.
- 113. Plaintiff Blessing advised Representative Petrarca of his specific abovedescribed complaints about Defendant Brasile's conduct.
- 114. Plaintiff Blessing further advised Representative Petrarca about the additional risks to the Latrobe community resulting from Defendant Brasile's suspension of the seven (7) masked firefighters.
- 115. On January 9, 2020, Plaintiff Blessing appeared before a meeting of the membership of Hose Company No. 1 and openly expressed the following concerns:
 - a) that Defendant Brasile had claimed to be present for and supervising a fire call, wherein he was actually absent and a firefighter was seriously injured;

- b) that Defendant Brasile lacked proper safety policies, guidance and leadership;
- c) that Defendant Brasile was unwilling to afford firefighters additional, necessary rescue training; and
- d) as a result of his ineffective safety policies and lack of leadership, Defendant Brasile had placed residents of the Latrobe community at risk of serious injury or death from fire.
- 116. Plaintiff C. Giovannagelo complained to Representative Petrarca about Defendant Brasile's sexual harassment of a female firefighter, that Defendant Brasile had regularly and openly discussed the female firefighter's body piercings in the presence of male firefighters and referred to her as "metal face."
- 117. Plaintiff C. Giovannagelo further complained that Defendant Brasile had made lewd references to the female firefighter's body and manner of dress, remarked that "she must give a great blow job" and that he could see her "camel t -" by the manner in which she dressed.
- 118. At the close of their discussions, Representative Petrarca assured Plaintiffs
 Blessing and C. Giovannagelo that he would personally discuss their concerns with Defendant
 Wolford and City Council.
- 119. On February 6, 2020, prior to a meeting of the Defendant Fire Department membership, Plaintiff F. Giovannagelo spoke with Mr. Forish, Secretary Steve Tulenko, (hereinafter "Mr. Tulenko"), Treasurer Don Stewart (hereinafter "Mr. Stewart") and repeated his prior complaints that:
 - a) Defendant Brasile had jeopardized the safety of the citizens and structures of the community by improperly suspending seven (7) "masked firefighters";

- b) Defendant Brasile had falsely represented that he had responded to and was present for fire calls for which he was absent, including one call where a firefighter was seriously injured;
- c) Defendant Brasile was falsifying his personal call response times in order to be paid a higher stipend and to inflate the department's ISO rating for grant monies, which may be illegal;
- d) that Defendant Brasile had made inappropriate personal, sexual comments and engaged in sexual harassment of a female firefighter at Hose Company No. 1; and
- e) the female firefighter had complained about Defendant Brasile's conduct and stated that she feared responding to fire calls wherein Defendant Brasile was present.
- 120. At the February, 2020 meeting of the Defendant Fire Department attended by thirty-four (34) fire department members, a motion was made to investigate Defendant Brasile's wrongful conduct and to hold a new election for fire chief.
- 121. Defendant Fire Department members in attendance voted 34-0 in favor of holding a new election for fire chief.
- 122. In accordance with the applicable By-laws of Defendant Fire Company, representatives of the five (5) hose companies were instructed to inform their membership of the election for fire chief scheduled for Thursday, March 5, 2020 and that a daytime and evening vote would be taken.
- 123. On February 27, 2020, Plaintiff Jones spoke with Assistant Chief Gessler, Latrobe City Manager Michael Gray (hereinafter "City Manager Gray") and city councilman Ralph Jenko (hereinafter "Mr. Jenko"), and repeated his prior, above-described complaints including that:

- a) Defendant Brasile had intentionally falsified and exaggerated response call numbers to give the City a higher ISO rating and obtain higher grant monies, which may be illegal;
- b) Defendant Brasile had falsified his personal response call numbers in order to secure higher personal stipend payments, which may be illegal;
- c) flow tests had not been performed properly on every fire hydrant within the city;
- d) in his opinion fifty (50%) percent of the fire hydrants would not pass a flow test;
- e) fire hydrants were not flushed properly;
- f) Defendant Brasile was not present for the flow tests;
- g) That Defendant Brasile had falsified the fire hydrant flow test results to obtain a higher ISO rating;
- h) Defendant Brasile falsely recorded that he was present for a fire call on February 19, 2019, wherein he was absent and a firefighter was seriously injured; and
- I) Defendant Brasile had inappropriately interfered with and impeded the grant application process;

Defendant Wolford's Misrepresentations

- 124. On March 5, 2020, Defendant Wolford advised Mr. McMaster that the City had obtained legal opinions from the City Solicitor and the Fire Department Solicitor declaring that the election scheduled for March 5, 2020, was illegal.
- 125. On March 5, 2020, members of the Defendant Fire Department were provided with copies of the aforementioned legal opinions, however, neither legal opinion declared the scheduled March 5, 2020 election to be illegal, invalid or contrary to any

specific City Code, Defendant Fire Department or hose company by-laws nor did they direct that the election be postponed or cancelled.

- 126. Attorney Houser's legal opinion recommended that the Defendant Fire Department resolve any issues internally and Attorney Greiner's opinion confirmed that, according to the City Code, the fire chief may be removed for just cause.
- 127. On March 5, 2020, Plaintiff Blessing stated to Mr. McMaster, Mr. Tulenko and Mr. Stewart, "If Chief Brasile continues to hold back the various companies from calls, including structure fire calls and if he continues to improperly suspend masked firefighters, our entire city and its residents are at great risk from future fires, especially structural fires."
- 128. On March 5, 2020, Plaintiff C. Giovannagelo stated to Mr. McMaster, Mr. Tulenko and Mr. Stewart that, "Chief Brasile works a full-time job and then falsely claims that he responds to 98% or our calls. He is absent from a great deal of those calls and is falsifying his response numbers in order to get a larger, personal stipend payment.
- 129. Plaintiff C. Giovannagelo further accused Defendant Brasile of falsifying the ISO numbers, failing to procure proper fire and safety equipment and falsifying the number of fire hydrants that were operational.
- 130. On March 5, 2020, Defendant Fire Department conducted an election for fire chief, wherein Plaintiff N. Giovannagelo and Defendant Brasile were the two (2) candidates.
- 131. The aforesaid election was to have initially occurred in December, 2019, however, Defendant Brasile illegally suspended Plaintiff N. Giovannagelo, removed his name from the ballot and declared victory by acclamation.
 - 132. The election for Fire Chief on March 5, 2020, resulted in thirty-two (32)

votes for Plaintiff N. Giovannagelo and seventeen (17) votes for Defendant Brasile and as a result, Plaintiff N. Giovannagelo was lawfully elected Fire Chief for Defendant Fire Company.

- 133. Subsequent to the posting of the election results, Defendant Brasile declared that said election was invalid because all of his supporters did not vote and had they voted, he would have won the election.
- 134. On March 5, 2020, Plaintiff N. Giovannagelo had a conversation about public safety with City Manager Gray wherein he stated, "Chief Brasile is holding Hose Company No. 1 on calls and not just small stuff. He is holding us on reported structure fires. On one fire call, we had eleven (11) firefighters, most of them masked men, sitting in our station. Chief Brasile held them from the call before he ever arrived at the fire scene. His actions created a grave safety risk for our community."
- 135. On March 6, 2020, Plaintiffs were advised by Mr. McMaster that neither Defendant Wolford nor Defendant City would accept the results of the election on March 5, 2020.
- 136. Neither Mr. McMaster nor any representative/policymaker for the Defendant City provided legal justification for not accepting a vote which was scheduled and taken in strict compliance of all applicable by-laws.
- 137. On March 6, 2020, Plaintiff F. Giovannagelo met with members of Hose Company No. 1 in order to review the legal opinions from Attorneys Greiner and Houser and Defendant Wolford's misrepresentations as to the contents of both legal opinions.
- 138. On March 6, 2020, Plaintiff F. Giovannagelo, in his capacity as President of Hose Company No. 1, called for a Special Meeting for Sunday, March 8, 2020, in order to take

a membership vote on whether to expel Defendant Brasile as a member of Hose Company No. 1 for just cause.

- 139. In accordance with the By-laws of Hose Company No. 1, Plaintiffs
 Blessing, Jones and F. Giovannagelo made telephone calls to every member of Hose Company
 No. 1, advised every member as to the date, time and place of the Special Meeting and notified
 every member that a vote on whether to expel Defendant Brasile as a member of Hose Company
 No. 1 for just cause would be taken at the Special Meeting.
- 140. On Sunday, March 8, 2020, a Special Meeting of Hose Company No. 1 took place and was attended by approximately twenty-two (22) members.
- 141. At said meeting, a motion was made to expel Defendant Brasile as a member of Hose Company No. 1.
- 142. By a vote of 22-0, the membership voted to expel Defendant Brasile from Hose Company No. 1.
- 143. On March 9, 2020, Plaintiff C. Giovannagelo, in his capacity as Hose Company No. 1 Secretary, prepared a letter notifying Defendant Brasile of the unanimous vote taken on March 8, 2020, to expel Defendant Brasile from the membership of Hose Company No. 1.
- 144. The aforesaid letter was signed by Plaintiff C. Giovannagelo, witnessed by Plaintiffs Blessing and Jones, notarized and forwarded to Defendant Brasile by certified mail. A copy of said letter is attached hereto, marked Exhibit "A" and incorporated herein.
- 145. On March 9, 2020, Plaintiff N. Giovannagelo appeared at a Latrobe City Council monthly meeting and stated before council and the media that:

- a) "Chief Brasile has held Hose Company No. 1 on fire calls, even some close to our station. This is not safe for our community";
- b) Defendant Brasile lacked leadership, supervision and proper safety policies to protect the community;
- c) Defendant Brasile was dishonest and falsified personal fire call responses to obtain greater personal stipend payments, which may be illegal;
- d) Defendant Brasile falsely inflated the city wide call responses in order to inflate the City's ISO rating for federal grant money, which may be illegal;
- e) Defendant Brasile had allowed more than fifty (50%) per cent of the fire hydrants to remain dysfunctional, pumping rusty water through the fire trucks at an unsafe intensity level;
- f) Defendant Brasile had improperly interfered and delayed the grant application process; and
- g) he and his family reside inside the City of Latrobe and are at risk due to Defendant Brasile's conduct.
- 146. Prior to March 10, 2020, Hose Company No. 1 Assistant Chief Gessler, engaged in speech as a citizen on matters of public concern concerning wrongful conduct of Defendant Brasile.
- 147. Assistant Chief Gessler's speech as a citizen included, Defendant Brasile's reckless and unjustified suspension of masked firefighters which created an unnecessary fire related risk to the citizens and structures of Defendant City.
- 148. Assistant Chief Gessler complained that Defendant Brasile was falsifying his own personal call responses in order to increase his stipend payment and was further falsifying department call response numbers in order to obtain grant money.
 - 149. Assistant Chief Gessler further complained about the safety risks created

by Defendant Brasile's precluding Hose Company No. 1 firefighters from responding to fire calls in close proximity and in the jurisdiction of Hose Company No. 1.

- 150. Assistant Chief Gessler further complained that Defendant Brasile had falsely claimed to have filed an application for a SAFER grant as a contrived, false reason to suspend Hose Company No. 1 for a period of three (3) days and to retaliate against and suspend seven (7) individual members, including Plaintiffs C. Giovannagelo and N. Giovannagelo.
- 151. Assistant Chief Gessler made the aforesaid accusations publicly at several meetings of the Latrobe City Council, monthly meetings of the Defendant Fire Department and at meetings of Hose Company No. 1.
- 152. As a direct retaliation for Assistant Chief Gessler's citizen's speech on matters of public concern, Defendant Brasile expelled Assistant Chief Gessler from the Defendant Fire Department. A copy of Defendant Brasile's expulsion letter is attached hereto, marked Exhibit "B" and incorporated herein.
- 153. As a result of Defendant Brasile's illegal expulsion of Assistant Chief Gessler, all work on the federal grant applications ceased and Defendant City failed to timely process the FEMA grant application for lifesaving fire and safety equipment and turnout gear for brush forest fires.
- 154. As a result of the unanimous vote to expel Defendant Brasile for just cause on March 8, 2020, City Manager Gray, by letter dated March 10, 2020, advised Plaintiff N. Giovannagelo that Latrobe City Council had formed a committee "to investigate the allegations made for the removal of Fire Chief John Brasile with cause."

- 155. The aforesaid letter further requested "a written complaint with all supporting documents alleging the allegations for removal of cause." A copy of said letter is attached hereto, marked Exhibit "C" and incorporated herein.
- 156. On March 13, 2020, David Beyers, a Latrobe resident, approached Plaintiff Jones and stated, "Our property and residents are subject to danger if he (Defendant Brasile) continues his reckless actions of shutting down stations and suspending and expelling firefighters. It depletes an already short staffed fire department."
- 157. On March 13, 2020, as a result of the Covid-19 pandemic, the City of Latrobe was declared to be in the "red" area and all citywide, non-essential businesses were suspended by Defendant Wolford.
- 158. As a result of the Covid-19 pandemic, the letter/notice of expulsion to Defendant Brasile could not be personally delivered.
- 159. As a further result of the Covid-19 pandemic, Plaintiffs were delayed in meeting with the City Council committee investigating Defendant Brasile's removal for cause and supplying the requested information.
- 160. On March 17, 2020, Defendant Fire Department received a letter from Mr. Gray advising that Defendant City had declared Defendant Brasile to be its fire chief.
- 161. According to the terms of Mr. Gray's letter, Defendants had validated the results of the December, 2019 election, wherein Defendant Brasile removed Plaintiff

 N. Giovannagelo's name from the ballot and ran unopposed.
- 162. As per Mr. Gray's letter, Defendant City further refused to acknowledge or abide by results of the election for fire chief on March 5, 2020, which was conducted in strict

compliance with all applicable by-laws.

- 163. Defendants further ignored the results of the legal special election on March 8, 2020, wherein Defendant Brasile was expelled as a member of Hose Company No. 1, and disqualified from serving as fire chief for a minimum period of one (1) year. A copy of Mr. Gray's letter is attached hereto, marked Exhibit "D" and incorporated herein.
- 164. On April 15, 2020, Sean Zitterbart, a Latrobe resident, approached Plaintiff Jones and stated, "I am concerned for the firefights of the city who are seeking justice. If they are not being listened to, would city authorities do the same to other citizens' complaints?"
- 165. On April 24, 2020, Curk Frye, a Latrobe resident, after listening to a radio conversation between Defendant Brasile and Plaintiff N. Giovannagelo, approached Plaintiff N. Giovannagelo and stated, "The fire department is going to keep losing people if he (Defendant Brasile) doesn't stop talking to people like that. He's chased quite a few people away from the department because of the way he treats people. The department keeps getting smaller and smaller and there's nobody to replace them. Our city is in trouble if we don't have firefighters."
- 166. On April 25, 2020 and May 5, 2020, Plaintiff Jones had conversations with Chief Piantine about safety issues involving the Latrobe and Bradenville communities wherein they discussed:
 - a) the dangerous conditions existing as a result of the faulty fire hydrants;
 - b) the lack of proper safety and lifesaving equipment;
 - c) that faulty fire hydrants were pumping rust-filled water through the Latrobe fire vehicles;
 - d) Defendant Brasile's absence from an overwhelming

number of fire calls;

- e) that Defendant Brasile had manipulated and exaggerated his fire response numbers and the city's ISO rating;
- f) that Defendant Brasile without just cause, had suspended seven (7) masked firefighters from responding to fire calls, structural or otherwise; and
- g) that Defendant Brasile had negligently interfered with the grant application process, wrongfully expelled Assistant Chief Gessler and precluded Defendant City from applying for and received FEMA grant money for fire safety equipment and turnout gear for brush forest fires.
- 167. In May, 2020, a fire occurred in the vicinity of Plaintiff Blessing's residence and less than a half mile from Hose Company No. 1.
- 168. Plaintiff Blessing's neighbors and other residents of the First Ward spoke with Plaintiff Blessing about the Defendant Fire Company's response to the fire call and safety issues resulting directly from Defendant Brasile's negligent directives.
- 169. In May, 2020, Plaintiff Blessing spoke to Mr. Forish, in his capacity as a city councilman and a representative of the Fire and Safety Committee, and complained that:
 - a) Defendant Brasile had prohibited and delayed all five (5) fire companies from responding to the fire near Plaintiff Blessing's home until such time as that Defendant Brasile arrived at the fire scene;
 - b) Defendant Brasile had not arrived at the fire scene for an excruciatingly long period of time after the fire call;
 - c) Defendant Brasile's reckless and negligent action had placed Plaintiff Blessing, his family, his residence and his neighbors at unnecessary risk of serious physical injury, death and or destruction of property due to fire; and
 - d) Plaintiff Blessing's family and neighbors had confronted him

concerning safety issues resulting from Defendant Brasile's lack of proper safety policies and negligent and/or reckless directives.

- 170. On May 11, 2020, Plaintiff Jones was advised by Chief Piantine that, due to Defendant Brasile's above-described conduct and the resulting safety risks, the Bradenville firefighters will not respond to fire calls for assistance from the Defendant City nor will they allow Defendant Brasile to place them in harm's way.
- 171. Plaintiffs Blessing and F. Giovannagelo advised Mr. Forish and other employees/residents of Defendant City of Plaintiff Jones' conversation with Chief Piantine.
- 172. On May 15, 2020, Defendant City and Westmoreland County were declared to be in the Covid-19 "yellow zone."
- 173. On May 15, 2020, a constable served Defendant Brasile with the previously undelivered certified letter, notifying Defendant Brasile that he had been expelled from Hose Company No. 1.
- 174. As a result of the aforesaid letter and in an attempt to subvert the applicable by-laws and remain as fire chief, Defendant Brasile advised Mr. Gray and Defendants that he had transferred from Hose Company No. 1 to Hose Company No. 2 and was eligible to remain as fire chief.
- 175. Defendant Brasile never followed the applicable by-laws and procedures to effectuate a transfer from Hose Company No. 1 to Hose Company No. 2 or any other hose company and therefore was not legally eligible to serve as fire chief.
 - 176. On May 22, 2020, Hose Company No. 1 received a letter from Mr. Gray

advising that Defendant City had determined that Defendant Brasile was eligible to remain as fire chief.

- 177. Mr. Gray's letter was not accompanied by any legal opinion to support Defendants' decision concerning Defendant Brasile's status as fire chief. A copy of Mr. Gray's letter is attached hereto, marked Exhibit "E" and incorporated herein.
- 178. On May 22, 2020, Plaintiffs openly challenged City Manager Gray and City Council for not following through with the letter of March 10, 2020, concerning the removal of Defendant Brasile from Hose Company No. 1 for cause.
- 179. On May 22, 2020, each of the above-named Plaintiffs advised other firefighters, members of City Council, employees and residents of Defendant City that they intended to appear at the next council meeting to demand that council follow through on the letter dated March 10, 2020 and to advise Council of their intent to challenge Defendant City's unlawful decision to retain Defendant Brasile as fire chief.
- 180. On May 22, 2020, the above Plaintiffs openly discussed their justification for taking corrective action and again confirmed that Defendant Brasile had been removed for just cause, which included:
 - a) Defendant Brasile's misogynistic attitude, reprehensible comments about women, including a female firefighter and the wife of a male firefighter;
 - b) Defendant Brasile's sexual harassment of a female firefighter;
 - Defendant Brasile's lack of proper policies, leadership, ability to procure proper fire and safety equipment and to provide proper training for firefighters;

- f) Defendant Brasile's recklessness and lack of leadership in certifying defective fire hydrants as being fully operational;
- g) Defendant Brasile's failure to properly respond to a fire call wherein a firefighter was seriously injured;
- h) Defendant Brasile's failure to properly respond to a gas leak emergency, whereby several citizens became seriously ill from gas inhalation;
- I) Defendant Brasile's holding back individual hose companies, including Hose Company No. 1, from responding to fire calls in a close geographic location to each hose company;
- Defendant Brasile's abuse of a firefighter from Crabtree,

- n) Defendant Brasile's ongoing pattern of late arrivals to the scenes of fire calls, thereby unnecessarily delaying the responses from the hose companies;
- o) Defendant Brasile's willful interference with the grant application process, including his expulsion of Assistant Chief Gessler, which

- prevented Defendant City from meeting the grant application and obtaining funds to purchase lifesaving fire equipment and turnout gear for brush forest fires; and
- p) that surrounding fire departments, including Bradenville, were reluctant or refusing to respond to Latrobe fire calls for assistance due to Defendant Brasile's conduct.
- 181. On May 27, 2020, as a direct retaliation for Plaintiff's above- described protected citizen's speech on matters of public concern and in further violation of the Latrobe City Code, Defendant Fire Department By-laws, and the Hose Company No. 1 By-laws, Defendant Brasile illegally expelled Plaintiffs from Defendant Fire Company.
- 182. Defendant Brasile's expulsion of Plaintiffs was not preceded by any notice, progressive discipline or due process of any kind and contained false, fabricated, nonsensical, pretextual reasons for each expulsion.
- 183. In violation of the Latrobe City Code, Defendant Fire Department By-laws and Hose Company No. 1 By-laws, Defendant Brasile's expulsion letters falsely represented that Plaintiffs' appeal had to be made directly to him. Copies of the expulsion letters are attached hereto marked as Exhibit "F" and incorporated herein.
- 184. After learning about Defendant Brasile's illegal expulsion of Plaintiffs,

 Latrobe residents continued to speak with Plaintiffs about their community safety concerns.
- Jones and stated, "I am concerned that Hose Company No. 1 will not be able to operate in the event of an emergency in the city, especially with it being the closest company to the Latrobe Brewery. With the large number of employees and flammable products at the Brewery, it is important that there be a quick response in the event of an emergency."

- 186. In response to the aforesaid illegal expulsion letters, on June 4, 2020, Plaintiffs hand-delivered letters of appeal to Defendant Brasile demanding that he recuse himself from any appeal process. Copies of Plaintiffs letters are attached hereto marked Exhibit "G" and incorporated herein.
- 187. In accordance with the Defendant Fire Department By-laws, including Article 9 Sections 4 (b) and ©, an appeal of an administrative expulsion shall be made to the Board of Appeals and not directly to the fire chief.
- 188. In accordance with the aforesaid by-laws, the Appeal Board shall be comprised of the Fire Department President, First Vice President and a member elected annually from all five (5) hose companies. A copy of Article 9 Sections 4 (b) and © of Defendant Fire Department By-Laws is attached hereto, marked Exhibit "H" and incorporated herein.
- 189. As a result of the contradiction between Defendant Brasile's expulsion letter and the aforesaid by-laws, on June 5, 2020, Plaintiffs hand-delivered to Mr. McDowell a written appeal requesting a hearing before the Board of Appeals. A copy of the Plaintiffs' letter is attached hereto, marked Exhibit "I" and incorporated herein.
- 190. At all times relevant to the within action, Defendant Fire Department had a duty to insure that its members, including Plaintiffs, were afforded proper due process and appeal rights pursuant to Defendant Fire Department's By-laws, including Article 9 Sections 4(b) and ©.
- 191. Defendant Fire Department, by and through its elected, executive officers, including Defendant McDowell, had the duty to insure that its members, including Plaintiffs, were afforded proper, formal notice of any appeal hearing.

- 193. Defendant Fire Department had a further duty to insure that the First Vice President and the elected representatives from all hose companies were present for and involved in the decision making process concerning Plaintiffs' appeals.
- 194. At all times relevant to the within action, Defendant Fire Department, intentionally and/or negligently breached its aforesaid duties to Plaintiffs.

Expulsion-Letter dated May 27, 2020

Dear Mr. Brasile:

Please accept the within letter as a written appeal from my expulsion from the Latrobe Volunteer Fire Department and from the false, unjust, contrived reasons for said expulsion set forth in your letter dated May 27, 2020. Your letter states that my forwarding a written request for appeal directly to you is the only process available to address my wrongful expulsion and my reinstatement to the Latrobe Volunteer Fire Department. Your letter further states that unless I follow the appeal process and am successful in my appeal, I will not be recognized as a member of the Latrobe Volunteer Fire Department.

In your letter, which I received on May 30, 2020, you attempt to justify my wrongful and unjust expulsion, make a passing reference to a violation of all the By-laws and Section 271-4(B) of the City Code. Your letter accuses me of allowing one of our vehicles to participate in a parade and ignores the fact that any such action would have been in total conformance with our department's past practice, for which no individual has ever been expelied or disciplined. Your letter further contains two charges of insubordination containing false, contrived, outrageous, pretextual accusations that I violated your order concerning the suspending of fire department meetings during the governor's declaration of emergency. As a result, I am requesting, in writing, that you recuse yourself and your hand-appointed administrators and/or biased subordinates from the appeal process and allow my appeal to be heard by a fair, independent and impartial Board of Review.

Re:

Appeal of Ryan Jones

Expulsion-Letter dated May 27, 2020

Dear Mr. Brasile:

Please accept the within letter as a written appeal from my expulsion from the Latrobe Volunteer Fire Department and from the false, unjust, contrived reasons for said expulsion set forth in your letter dated May 27, 2020. Your letter states that my forwarding a written request for appeal directly to you is the only process available to address my wrongful expulsion and my reinstatement to the Latrobe Volunteer Fire Department. Your letter further states that unless I follow the appeal process and am successful in my appeal, I will not be recognized as a member of the Latrobe Volunteer Fire Department.

In your letter, which I received on May 28, 2020, you attempt to justify my wrongful and unjust expulsion by making a passing reference to a violation of all the By-laws and you failed to specify which by-law I am alleged to have violated. Your letter makes a charge of insubordination and contains a false, contrived, outrageous, pretextual accusation that I violated your command concerning the suspending of fire department meetings during the governor's declaration of emergency. You make this charge knowing that I have no authority to schedule fire department meetings and that no such meetings occurred. As result, I am requesting, in writing, that you recuse yourself and your hand-pointed administrators and/or biased subordinates from the appeal process and allow my appeal to be heard by a fair, independent and impartial Board of Review.

Very truly yours,

RYAN JONÉS

City of Latrobe, Latrobe Volunteer Fire Department and

John Brasile, Fire Chief

Dear Attorney Greiner:

Please be advised that I represent the above-named individuals on all claims against the City of Latrobe, the Fire Department of Latrobe and Fire Department Chief John Brasile. By letter dated May 27, 2020, Mr. Brasile advised each of the above-named individuals that he had been "expelled from the Latrobe Fire Department effective immediately." He further stated that "Effective immediately, you are hereby prohibited from trespassing upon any of the City of Latrobe's fire department facilities..." As a result, three of the above-named individuals did not vote at the primary election on June 2, 2020, for fear of further retribution from Mr. Brasile because their polling places were located in a fire department facilities. Mr. Brasile's letter further stated that a written request to him for appeal was the only process available to address each individual's expulsion. On June 4, 2020, each expelled firefighter hand-delivered a written letter to Mr. Brasile demanding an appeal from his expulsion, that Mr. Brasile recuse himself from the appeal process and that the appeal be heard by "a fair, independent and impartial Board of Review." Each firefighter hand-delivered a letter to Charles McDowell, Jr., Latrobe Volunteer Fire Department President, referencing and attaching his letter to Mr. Brasile and requesting a hearing before the Board of Appeals pursuant to Article IX, Section 4B of the Latrobe Fire Department By-Laws. The purpose of the appeal was to demand that Mr. Brasile's illegal expulsion orders be immediately vacated.

A review of the Code for the City of Latrobe as well as fire department rules and regulations reveals both to be absent of any provision permitting the fire chief to summarily expel a firefighter without any prior notice or due process. The only provision which speaks to the expulsion of firefighters is contained in the By-Laws for Hose Company 1. In accordance with the Hose Company 1 By-Laws, as well as all applicable law, my clients were entitled to proper notice and due process prior to any order of expulsion. Proper notice and due process mandate that, prior to any order of expulsion, my clients be afforded a hearing before the membership of Hose Company 1. My clients were entitled to notice as to the date and specific

nature of any alleged wrongful conduct, the specific By-Laws, rules or regulations that were allegedly violated, to review any documents, photographs or other evidence to be presented against them at an expulsion proceeding and to be notified of the identity of any witnesses who will testify against them at an expulsion proceeding. My clients were further entitled to a vote by the Hose Company 1 membership at an expulsion proceeding, wherein a vote in favor of expulsion by two-thirds of the membership is a condition precedent to any order of expulsion. The accusations contained in Mr. Brasile's letters made passing references to violations of By-Laws without specifying the violative conduct, the date said conduct is alleged to have taken place and the rule or By-Law that was violated. Moreover, Mr. Brasile summarily and illegally expelled my clients without any of the above-stated notice and/or due process mandates.

Last week, each of my clients received a sheet of paper in the mail that was undated, contained no letterhead, no signature and nothing to identify the party or parties responsible for drafting the document. Each document also contained a proposed appeal hearing date. Due to the unidentifiable nature of these documents, they have been discarded by my clients. Moreover, my clients will not respond to any future documents which contain no letterhead, dates, signatures or identifying factors as to who originated each document. My clients have forwarded correspondence to Fire Department President McDowell in order to effectuate a legal mechanism for vacating Mr. Brasile's illegal expulsion orders of May 27, 2020.

Accordingly, I am respectfully requesting that you contact me upon your receipt of the within letter so that we may address the issues raised herein as well as other serious violations of my clients civil rights by Mr. Brasile, as acquiesced to, adopted and participated in by the City of Latrobe and the Latrobe Volunteer Fire Department. A copy of this letter is being forwarded to the Latrobe Volunteer Fire Department solicitor Kim R. Houser, Esquire. Be advised that if the City of Latrobe does not immediately sustain my clients' appeals and vacate the Mr. Brasile's illegal expulsion orders, my clients will proceed directly with an action in the United States District Court for the Western District of Pennsylvania.

You may reach me at your convenience on my cell phone at 610-392-7282 or at the above number. I will await your response.

Re:

Christopher Blessing, Cody Giovannagelo, Fabian Giovannagelo, Nico Giovannagelo and Ryan Jones vs. City of Latrobe, Latrobe Volunteer Fire Department and John Brasile, Fire Chief

Dear Mr. Gray:

Please be advised that I represent the above-named individuals who were illegally expelled from their positions as firefighters for the City of Latrobe Volunteer Fire Department by an order/letter from Fire Chief John Brasile, dated May 27, 2020. In accordance with the applicable provisions of the Code of the City of Latrobe, the By-Laws of the Latrobe Volunteer Fire Department and Hose Company 1, the City of Latrobe Employee Handbook and the applicable federal and state law, I am forwarding this letter to your attention and requesting your immediate action.

Hose Company 1 was incorporated under the Non-profit Corporation Law of the Commonwealth of Pennsylvania, in July, 1954. The By-Laws of Hose Company 1, which have been accepted and approved by the City of Latrobe and the Latrobe Volunteer Fire Department, provide that a firefighter may be expelled only after a hearing before the membership of Hose Company 1 and a two-thirds vote in favor of expulsion by the members in attendance. Article 9, Section 4 of the By-Laws for the Latrobe Volunteer Fire Department provide that "any member receiving a non-firefighting operations suspension or expulsion shall have the right to appeal that suspension or expulsion in writing within ten (10) days to the LVFD President/Board of Appeals." Said By-Laws further mandate that the Board of Appeals shall consist of seven (7) people, including the Department President, Department First Vice President and one (1) member selected from each company annually. Mr. Brasile's letters incorrectly advised my clients that any appeal of their expulsion must be made directly to him as opposed to the LVFD President/Board of Appeals, as mandated by Article 9, Section 4(b) of the Fire Department

Michael Gray, City Manager July 9, 2020 Page Two

By-Laws. Mr. Brasile further wrongfully advised each firefighter that:

".... effective immediately, you are here by prohibited from trespassing upon any of the City of Latrobe's Fire Department facilities and using any equipment of the City of Latrobe Fire Department."

Neither the City Code, the Fire Department By-Laws nor the Hose Company 1 By-Laws permit Mr. Brasile to make the representations and illegal, ex-parte, disciplinary determinations contained in his expulsion letters dated May 27, 2020.

Each firefighter's expulsion letter contained passing references to violations of all the By-Laws by each firefighter. Each letter failed to specify any By-Law alleged to have been violated and instead, made broad, false, contrived, unsupported accusations of insubordination. Mr. Brasile's letters further falsely accuse several firefighters of insubordination concerning the scheduling/suspending of Fire Department meetings, wherein the individuals accused had no authority to schedule or suspend any such meeting. Mr, Brasile accused one firefighter of failing to follow the proper chain of command in seeking approval for "certain activities" and failed to specify what "certain activities" comprised his accusation. Mr. Brasile's letter of expulsion further incorrectly and illegally states "that pursuant to Section 271-5 (c) of the Code of the City of Latrobe" each individual had been "expelled from the Latrobe Fire Department immediately." Contrary to Mr. Brasile's statement, Section 271-5 (c) contains no provision for the "expulsion" of a firefighter. Copies of Mr. Brasile's letters dated May 27, 2020, are attached hereto as Exhibit "A".

In response to Mr. Brasile's letters dated May 27, 2020 and the improper and factually incorrect representations contained therein, on June 4, 2020, my clients forwarded appeal letters to Chief Brasile, challenging all vague and improper allegations of wrongdoing and requesting a hearing before a Board of Appeals. Copies of aforesaid appeal letters to Mr. Brasile are attached hereto as Exhibit "B". As a result of the contradictions between Mr. Brasile's improper representations as to my clients' appeal rights and my clients's actual appeal rights, as set forth in Article 9, Section 4(b) of the Fire Department By-Laws and the Hose Company 1 By-Laws, on June 5, 2020, my clients delivered a Letter of Appeal, signed by each client, to Charles McDowell, Jr., Latrobe Volunteer Fire Department President. A copy of the Appeal Letter to Mr. McDowell is attached hereto as Exhibit "C".

clients.

The above-described "unidentified sheets of paper" contained new accusations and no identifiable factors as to who was making the accusations. As a result, my clients could not respond/challenge the new accusations nor could they determine who was presiding over any proposed, illegal, "suspension appeal." Whoever mailed these "sheets of paper" made no attempt to determine whether any of my clients were available for the randomly chosen, illegal "suspension appeal" dates or who was responsible for the new, false accusations contained "herein. Due to the unidentifiable nature of these documents, they were disregarded by my

Meither the City Code, the Fire Department By-Laws, the Hose Company I By-Laws, the City make a determination of expulsion or to impose the sanctions contained in Mr. Brasile's letters dated May 27, 2020, prior to a due process hearing. Moreover, the City Code does provide that dated May 27, 2020, prior to a due process hearing. Moreover, the City Code does provide that all members of the Fire Department of Latrobe "... be governed by federal, state and local laws, rules and regulations, and, where not inconsistent, by the Fire Department Code of Laws and the rules and regulations of the respective volunteer companies."

Michael Gray, City Manager July 9, 2020 Page Three Michael Gray, City Manager July 9, 2020 Page Four

As a result of the above-described illegal, improper, contradictory and outrageous conduct of Mr. Brasile, as condoned, adopted and participated in by the City of Latrobe and Latrobe Volunteer Fire Department, on June 25, 2020, I forwarded letters to John K. Greiner, Esquire, Latrobe City Solicitor and Kim R. Houser, Esquire, Fire Department Solicitor. On June 25, 2020, I had a telephone conversation with Attorney Houser, wherein I advised him that my clients would not be responding to any undated documents containing no letterhead, no signature and no identifiable factors as to who created the document nor would they appear for any "appeal hearing" set forth in each unidentified document. Copies of my letters to Attorney Greiner and Attorney Houser are attached hereto as Exhibit "D"

In accordance with Article 9, Sections 4(b) and (c) of the Fire Department By-Laws, my clients are entitled to an expulsion appeal hearing before the Board of Appeals, consisting of the Department President, the Department First Vice President and one (1) member elected from each company. As you may be aware, Robert "Stuffy" Forish presently serves as the Fire Department's First Vice President and as Hose Company 1's elected representative on the Board of Appeals. Mr. Forish advised my clients that, in his capacity as First Vice President and elected representative, he attempted to ascertain whether an appeal hearing had been scheduled on behalf of my clients. Mr. Forish further advised my clients that Mr. Brasile ordered him not to appear at any Appeal proceedings involving my clients. Mr. Brasile further threatened to have Mr. Forish arrested in the event that he attempted to appear for or participate in any of my clients' Appeal proceedings.

By letters dated June 29, 2020, Fabian Giovannagelo, Nico Giovannagelo and Cody Giovannagelo were notified that "an appeal meeting" was held on June 27, 2020 and as a result "the board of appeal made the decision to discharge you from the Department." Each aforesaid letter appeared on City of Latrobe Volunteer Fire Department letterhead and was signed by "Chuck McDowell, Jr. President." As a result of Mr. Brasile's wrongful threats and improper and illegal conduct, neither Mr. Forish nor any Hose Company representative was present for this proceeding. It is clear, however, that this "appeal meeting" was not a proper expulsion hearing, as mandated by the Fire Department By-Laws or the By-Laws of Hose Company 1. Copies of the aforesaid letters from Mr. McDowell are attached hereto as Exhibit "E".

Be advised that my clients, at every stage, have been deprived of their rights to notice, due process and a fair and impartial hearing concerning the false, contrived, pretextual accusations made against them by Mr. Brasile. The "corrective action" taken in this matter is so flawed and illegal as to mandate the immediate reversal of all orders of expulsion and my clients' immediate reinstatement as firefighters with the Latrobe Volunteer Fire Department. To be absolutely clear, Mr. Brasile's manipulation of the expulsion of my clients and his failure to specify the date, improper conduct and rules or regulations alleged to have been violated to justify expulsion have rendered Mr. Brasile's expulsion of my clients to be nothing more than an

Michael Gray, City Manager July 9, 2020 Page Five

illegal sham from which no fair appeal is possible. Moreover, Mr. Brasile's precluding Mr. Forish and other authorized individuals from sitting on the Appeal Board and participating in the appeal process is a direct violation of Article 9, Sections 4(d) and (e) of the Fire Department By-Laws as well as Hose Company 1's By-Laws. As a result, my clients have never been properly charged with conduct or violations which constitute grounds for immediate expulsion nor have they been provided mandatory due process prior to their expulsion. Accordingly, my clients are demanding that you, in your capacity as Latrobe City Manager, take all necessary action to reverse my clients' illegal expulsion, to immediately reinstate my clients as firefighters with Latrobe Volunteer Fire Department and to impart proper discipline to Mr. Brasile for his inappropriate, illegal and outrageous conduct.

In the event that you have any questions, please feel free to contact me at the above number or at my cell phone number- (610)-392-7282.

Very truly yours.

Dear Mr. Gray:

The within letter is being forwarded to you by electronic mail as a follow up to my letter to you dated July 9, 2020. On Monday, July 13, 2020, Christopher Blessing and Ryan Jones received letters from Fire Department President Chuck McDowell, Jr. which were dated July 6, 2020 and mailed July 11, 2020. Each letter is similar to the letters provided to you as Exhibit "E" of my letter dated July 9, 2020. Accordingly, I am incorporating and renewing the demands set forth in my letter dated July 9, 2020. Copies of Mr. McDowell's letters and the mailing envelopes are attached for your records.

Be advised that on a regular and ongoing basis, my clients have been subjected to severe violations of their civil rights by policymakers/management level employees of the City of Latrobe. My correspondence to you, John K. Greiner, Esquire, Latrobe Solicitor and Kim R. Houser, Esquire, Fire Department Solicitor, references these violations and the unauthorized, illegal expulsion of my clients as firefighters. In the event that you and/or the authorized representatives of the City of Latrobe ignore my correspondence, my clients will assume that the City of Latrobe has elected to condone, adopt and participate in the aforementioned improper and illegal conduct of its policymakers and/or management level employees. As such, my clients will proceed accordingly.
